Why Azamara.

We believe in connecting people to people, people with cultures and people with themselves, by bringing you closer to new experiences that help form who you are and give you a fresh perspective of life.

We do this through our **Destination Immersion®** experiences, the philosophy behind every Azamara voyage. We have carefully curated immersive itineraries, featuring longer stays, more overnights and unique night touring, allowing you to travel deeper and absorb more of the history, arts, cuisine and local customs that make each place unique.

Sometimes visiting a few ports within a country is not enough. That's why we have pioneered the concept of **Country-Intensive™ Voyages** — itineraries that include the most iconic destinations as well as hidden gems, all within a single country.

Continuing to expand our Destination Immersion® experiences by land, we have created unique pre- and post- voyage options. Through partnerships with some of the most renowned land tour operators, the **Land & Sea Packages** take you behind the scenes of local life with one inclusive price. It's land travel, by ship.

To further immerse you in local experiences, we offer everyone a **complimentary AzAmazing Evenings®**. Our exclusive, bespoke events are designed to give you a unique look into the culture and heritage of the destination; often hosted in beautiful historic venues.

While our global guests come to us for the destinations and the way we make them come to life, they return to Azamara for the inclusive, intimate club-like environment onboard. From the international crew members who are both genuinely friendly and happy to make them feel welcome, to the host of inclusive amenities such as beverages, concierge services, self-service laundry, gratuities and more.

Our three sister ships are boutique hotels at sea that can accommodate approximately 700 guests and are perfectly sized to cross oceans, sail into intimate rivers and along scenic waterways, while enjoying prime docking locations.

Azamara Club Cruises® welcomes you to uncover all seven continents and discover a world within the world.

Unearth THE World.

Discover the heart of Earth's most compelling destinations, and unravel authentic moments that only emerge when you're truly immersed in a country and its culture. Awaken your senses with Azamara's **Destination Immersion**[®] experiences that come to life when you step ashore as an insider.

Be captivated by the colourful culture, sights, and smells of the eclectic spice farmlands of Zanzibar, Tanzania. Learn the secrets to crafting traditional handmade pasta passed down from generation to generation in the home of an Italian family in the Tuscan countryside. Understand the nuances of a city as you stroll down the narrow, winding cobblestone paths in Marrakech's historic Medina.

Discover unknown art, untold history, unheard music, and yet-to-be-tasted cuisine. Because it's not enough to see something. You have to smell it, hear it, taste it, and most of all, feel it. Delve deep into the core of local life with Azamara Club Cruises[®] and engage the world up close.

Connect with a Place and its People.

WATCH HOW DESTINATIONS RISE WHEN THE SUN SETS.

Bask in the shifting landscapes, people, and cultures from dusk to dawn and sunrise to sunset. With late-nights and overnights accounting for nearly half of our time in port, Azamara stays later than 8:00 p.m. more often than any other cruise line. After all, more time in port means more time for exploration.

That means more time for experiences like Lisbon's skyline at night, the unmatched energy of New Year's Eve in Rio de Janeiro, or Reykjavik's extraordinary natural treasures. Join us to discover the night and day difference of how destinations rise when the sun sets.

COUNTRY-INTENSIVESM VOYAGES.

Azamara pioneered the concept of Country-IntensiveSM Voyages that dock in most, if not all, of a given country's marquee ports — as well as its less-visited hidden gems. It's a brilliant way of unpacking just once before diving into your chosen country, without having to worry about transport or hotel transfers.

Our Country-IntensiveSM destinations now include Ireland, Scotland, Denmark, and South Africa — as well as past favourites like Greece, Croatia, Israel, France, Japan, Spain, Italy, Iceland, Norway, New Zealand, and Australia. Whatever your choice, one thing is certain: you'll soon be viewing the world through the lens of a local.

EXTENDED VOYAGES.

Experience more of the world and receive more in return. Book back-to-back Azamara voyages and earn Onboard Credit (OBC) with our Extended Voyage Benefit programme. For 4 nights or less, you'll earn \$150 OBC; 5–8 nights \$300 OBC; 9 nights or longer \$400 OBC — all per stateroom and per voyage. For example, a 9-night voyage followed by a 5-night voyage would earn you \$700 OBC.

Many of our itineraries offer extended voyage options without repeating a single port, so you can engage with new cultures and enchanting destinations at every stop. There's even the chance to cruise on all three of our sister ships in one fell swoop as you navigate from Athens to Amsterdam in 42 days.

A fantasy novel come to life. Iceland is where fields of lava, icy craters, cresting waterfalls and commanding mountain ranges collide. Visit a small fishing village born from and forever at the mercy of volcanoes for awe-inspiring hiking, world-class golf, and the world's largest puffin colony. At Earth's northernmost capital, Reykjavik, get up close on a bike ride to sense its cosmopolitan aesthetic, small-town soul, and old-world charm. Cross over to the cultural hotbed of Isafjörður and stroll through Hesteyri, an eerily silent village abandoned in 1952. Explore the Eyjafjörður fjord from Akureyri and climb aboard a small plane for a breathtaking polar flight high above the Icelandic wilds. Wrap up your journey in Husavik, Iceland's whale-watching capital, and picturesque Seydisfjordur before docking in Dublin, Ireland.

DABBLE IN A DASH OF CULTURAL SPICE FROM DUBAI TO SINGAPORE.

From the fast-paced, futuristic city that's home to modern marvels everywhere you turn, your voyage begins with high-rise panoramas in Dubai before heading towards the splendour of sacred stirrings in India, and the cosmopolitan backdrop of Singapore. Immerse yourself in the utterly assorted destinations of the Spice Route. In Mumbai, formerly known as Bombay and currently known as Bollywood, take respite from the hustle and bustle to discover Parsi culinary secrets during a deeply personal cooking demonstration and lunch in the home of a local family; or, explore the Buddhist caves of Kanheri, the Prince of Wales Museum, and the Haji Ali Shrine.

Join the fray of mixed mores and inspirations in Cochin, a cultural hodge-podge featuring Chinese, Portuguese and British influences. Here, take

flight to Delhi for a two-night adventure to gaze at the historic Agra Fort and India's Modern Wonder of the World, the Taj Mahal. Then, head to Colombo to explore Buddhist temples or meet the friendly residents of an elephant orphanage in the Sri Lankan jungle. Unwind at sea before discovering Yangon, Myanmar, a former British colonial city in the midst of a major transformation. For less than \$5, the Circular Train provides an interesting glimpse into city life in Yangon. Looking for impressive architecture? Look no further than the stunning Shwedagon Pagoda, a magnificent domed structure that looms over the city. Finally, surrender to the charms of Singapore, the food capital of the world. Revel in foodie paradise and an evening laser light show glistening on the river against the modern city's contemporary skyline — a perfect close to an assorted menu of culture and exploration with Azamara.

BEFORE YOU SAIL

The following information should be read in conjunction with our booking conditions on pages 83-87.

PACKING

Q: What should I pack?

A: Planning what to wear on your cruise holiday is easy. You should keep in mind three types of clothing: casual shipboard attire or day wear; conservative resort wear for sightseeing or shopping; and evening wear.

Appropriate attire onboard Azamara Club Cruises® is always resort casual; there aren't any scheduled formal nights. However, guests should always feel comfortable in wearing formal attire if they so desire. No bare feet, tank tops, caps, bathing suits, or jeans are allowed in the dining room or speciality restaurants. Additionally, no tuxedo rentals will be available onboard.

Here's a few general tips: We recommend low-heeled, comfortable shoes for walking around the ship during the day; pack a couple of swimsuits so you'll always have a dry one; ashore you will need comfortable walking shoes, as well as a hat and sunscreen. When visiting museums, mosques, temples and churches it is appropriate (and in many cases mandatory) to dress conservatively. Women should wear trousers or skirts that cover the knees. Bare shoulders and sleeveless tops and shorts are often not permitted for men or women. If your cruise takes you to Northern Europe we suggest you also pack a raincoat or jacket and a couple of sweaters.

Examples of resort casual attire:

- Women
 - Casual dresses, skirts, trousers,
 - Light fabrics such as linen, cotton and silk
 - Men
 - Trousers, shirts, polo-type or button-down shirts, sweaters, jackets/windbreakers, blazer (if desired, but not required)
 - Light fabrics such as linen, cotton and silk
- What not to pack: For the safety of our guests, the following items are not allowed on board: irons, coffeemakers, candles, illegal drugs, flammable liquids, explosives (such as fireworks), weapons (including knives, regardless of length or ceremonial use) and electrical transformers.

WEATHER

Q: The Weather

A: Our cruises encompass a variety of continents and destinations and therefore the weather in each region will vary. Some of the destinations visited are tropical and may experience heavy rainfall or strong winds (sometimes hurricane force) at certain times of the year. Azamara Club Cruises cannot accept liability for adverse weather conditions during your cruise holiday. See clause 4.10 of our Booking Conditions.

CRUISE TICKETS & BAG TAGS

Q: How do I get my cruise tickets and bag tags?

A: We are now using electronic tickets for our guests. If you receive e-docs, you will need to request your bag tags from our website approximately one month before your sailing. We now include a personalised bag tag within your e-doc for you to use if you wish. Please see the 'Frequently Asked Questions' section of our website for full details.

GUEST RELATIONS

Q: What do the ship's Guest Relations staff do?

A: The Guest Relations Desk is available 24 hours a day. The Desk operates as your source of general information as well as customs and immigration.

EMBARKATION & DISEMBARKATION

Q: How do I check-in for boarding the ship?

A: In order to make your check-in and boarding process as simple as possible, we recommend that you go online at AzamaraClubCruises.com to complete your embarkation forms. Click on 'Booked' then 'Online Check-in' and submit these details online.

By checking in online for your cruise, you will significantly speed up your check-in process and will be able to board the ship sooner and avoid delays and queues at the cruise terminal. If you complete embarkation forms online, you do not need to complete the Guest Clearance Form within your cruise e-doc. If completing your embarkation forms online is not possible, your embarkation forms will automatically be included with your cruise documents. Please complete these forms before you arrive at the cruise terminal.

In the cruise terminal, simply present your cruise documents at the check-in desk. Once all the necessary forms have been completed, you will receive your Azamara KeyCard. You will then be permitted to board the ship. The Azamara KeyCard is your identification card for re-boarding the ship in the various ports of call, the key to your stateroom and your Charge Card for all your onboard purchases.

Your Stateroom Attendant will deliver your luggage as soon as possible after boarding. We recommend that items such as medicines are packed in your hand luggage.

Q: When can I board the ship?

A: We request that all guests check-in no later than 90 minutes prior to the scheduled sailing time to ensure luggage and security screening. Guests will not be allowed to board after check-in has been closed. Late arriving guests will need to join the cruise at an approved down line port of call. It is your responsibility to arrive on time unless you are transferring to the ship via our transport. If you are not on board at least 90 minutes before the ship's scheduled sailing time, we shall at that time be entitled to treat your non-arrival as a cancellation by you and as such 100% cancellation charges will be payable and no refund will be made. Please note, for security reasons, you will not be permitted to bring any visitors on board the ship in any port.

Azamara Club Cruises shall not be required to refund any portion of the cruise fare paid by any passenger who fails for any reason to be onboard the ship or transport by the embarkation cut-off time applicable to the specific cruise or the boarding cut-off time applicable at any port of call or destination or point of departure as the case may be, and shall not be responsible for lodging, meals, transportation or other expenses incurred by passenger as a result thereof. Embarkation and disembarkation details are available at AzamaraClubCruises.com. Boarding cut-off times for any port of call or destination or point of departure are as announced on the applicable cruise.

Q: Can I change my stateroom after arrival on board?

A: Subject to availability, you may upgrade to a higher category stateroom after you have checked in. The upgrades, if available, are done and paid for at the Pier Coordinator's desk. You can pay for the upgrade with either credit card, cash or in traveller's cheques.

Q: What do I need to do on the last night of the cruise?

A: Pack your bags and place them outside your stateroom door by the time you are advised onboard. Your stateroom attendant will give you luggage tags for each piece of luggage. Please clearly write your name, home address and, where applicable, flight details on each tag. Carry fragile, important and valuable items with you. We recommend that you bring an overnight bag with you for your last night on board.

Q: How should I prepare for disembarkation?

A: Guests must disembark the ship by 08:30hrs on debarkation day. The Cruise Director will give detailed instructions about disembarkation and clearing customs and immigration during the departure talk on the last day of the cruise. We strongly recommend that you attend this important and informative talk. You can also view this talk on your stateroom TV. Azamara Club Cruises has no control over the length of time it may take for immigration and customs clearance. The colour of your luggage tag will determine your departure time from the ship and your luggage collection point.

Q: When should I schedule my flight home?

A: Please consult your Travel Agent on the most appropriate flight times, ensuring you allow sufficient time both prior to embarkation and following disembarkation. You will normally be asked to have disembarked the ship before 08:30 on the disembarkation day. Actual times will be shown within your cruise tickets. Please note that the time a ship sails and the time it arrives back, may be subject to change in advance of the cruise or on the day, so please factor in delays when arranging your own onward journeys.

STATEROOM & SUITE

Q: What about stateroom sizes? What about staterooms that can accommodate three or four guests?

A: Please bear in mind that staterooms, by nature, cannot be compared in size to hotel rooms you may find on shore. Should you wish to know the dimensions of any stateroom, this information can be obtained from your travel agent or your reservation agent if you are booking direct or via our website.

Each ship has a limited number of three and four berth (bed) staterooms. These staterooms are popular with families, or adults travelling in groups of three or four. Three and four berth staterooms will be made up of a combination of lower berths, upper berths, sofa beds or rollaway beds. Please also note that on our bigger ships, we can accommodate four plus guests. Please check with your travel agent, your reservation agent or through our website at the time of booking should you wish to clarify the configuration of any stateroom. Fully occupied staterooms may not also be able to accommodate a baby cot. Please also note that children under the age of 6 years are not permitted to occupy upper berths within any stateroom. Please also note that due to the height of the upper berths, these berths may not be suitable for the elderly and those with physical impairment due to being Pullman style and requiring a short ladder to be climbed. As such we strongly recommend that you consider instead booking an alternative stateroom to accommodate such guests in ground level berths.

Q: What about electrical equipment and carriage of items that may be perceived as dangerous?

A: The onboard voltage is 110/220 AC (maximum 1500 watts) so please take any necessary adapters (N. European and North America adaptors will both work). Hair dryers are provided in all staterooms throughout the Azamara fleet. Please note, if you are bringing any medical equipment with you that requires mains power, please ensure you check the power requirements with our Special Services team in advance of your cruise. Be advised also that for safety reasons Azamara Club Cruises may not permit you to use certain items in your stateroom (see 2.2 below) e.g. travel irons. Please also check with your airline to ascertain the up to date position for the carriage of electrical and other dangerous items. This may vary by airline.

Q: Is the ship wireless?

A: Both Azamara ships have Internet access. Internet access is available in eConnections 24 hours a day until 6:00 am on debarkation day. Wireless Internet access is available around the ship. In order to take advantage of this service, you must bring your own laptop/smartphone/tablet, which must have WiFi capability. Apple's default browser, Safari, must be at version 3.0 or above to ensure compatibility with the onboard wireless network. Internet minutes can be purchased in various packages, depending on the number of minutes you plan on using while onboard.

Q: What about laundry?

A: Self-service laundry facilities are available onboard both Azamara ships on Deck 7 (midship) free of charge.

Additionally, laundry and dry-cleaning services are available on board, and prices vary by garment type.

ONBOARD PURCHASES

Q: What is included in my voyage?

A: The price of the voyage includes ocean transportation, ship accommodation, most meals, our inclusive selection of beers & spirits, most entertainment, as well as gratuities for your stateroom attendants, bar and dining wait staff, selected house wine, port shuttle buses when offered, coffee, tea and selected still bottled water (Evian, San Pellegrino and other speciality water excluded), soda/ soft drinks and self-service laundry. The amount of money needed for items of a personal nature, such as shore excursions, enhanced beverage packages, some speciality dining options*, gratuities to non-dining and bar wait staff, etc. will be at your discretion.

* Speciality dining in Azamara Club Cruise's intimate Prime C steakhouse and the Mediterranean-influenced Aqualina is complimentary for suite guests for the duration of their voyage.

Q: How do I pay for onboard purchases?

A: All items on board ship are priced in U.S. Dollars. All Azamara ships operate on a 'cashless' system. Simply validate your Azamara KeyCard account with an acceptable credit card at the cruise check-in desk. Then you can sign all onboard purchases to your account. At the end of your cruise you will receive a completely itemised statement. Guests who pay their Azamara KeyCard account with a credit card issued in a currency other than U.S. Dollars, will be charged in the same local currency that the credit card is issued in.

The transaction value of your spending on board the ship plus the exchange rate to be applied will appear on your itemised statement. We will carry out the currency conversion at the commercial daily rate of exchange provided by a reputable foreign exchange dealer and a currency conversion charge will also apply. Please note that a currency conversion charge is usually made by credit card companies, but it should not be necessary for your credit card company to charge such a fee when your transaction value has already been converted to your local currency by us. Should you wish to opt out of this system and therefore have your credit card charged in U.S. Dollars (with your credit card company applying the rate of exchange and currency conversion charge), please inform our cruise check-in agents at the pier.

Azamara KeyCard accounts may be settled in cash. We cannot accept personal cheques and any currency other than U.S. Dollars. Only U.S. currency is accepted on board Azamara ships. A cash machine is available on all Azamara ships which dispenses U.S. Dollars (USD \$5 fee per transaction will be levied for this service), and Euros (€6 fee per transaction) for European sailings. Please consult your onboard Daily Programme for the opening times of the onboard Bank. Ashore, most credit cards are accepted. In addition you should ensure that you have a small denomination of local currency for incidental expenditure ashore. You can, if you wish, cash small amounts of U.S. dollar traveller's cheques on-board. At the time of printing the following credit cards are accepted on board Azamara ships: Visa, MasterCard, American Express, Discovery and Diners Card. Since American Express Traveller Cheque Cards are prepaid cards, they cannot be used for on board cruise charges, nor are any other pre-paid cards. Please note: we do not accept Maestro/Switch cards as a payment method. Whilst you are onboard your daily spend will be authorised at the close of business each day. Your card provider, as part of their standard procedures, may retain these authorisations for up to 28 days which are outside of the control of RCL Cruises Ltd. For this reason, you may wish to set up a cash only account or register a credit card rather than a debit card at the start of your sailing. You may also wish to contact your bank at the end of your cruise to assist with any outstanding authorisations. Final settlement of your account will take place at the end of your cruise. If you are travelling on consecutive cruises your bill will be settled at the end of each cruise.

ONBOARD SERVICE CHARGES

Q: What are onboard service charges/gratuities?

A: Onboard service charges for your stateroom attendants, dining room and bar wait staff are included in your voyage fare. Please note: Spa gratuities are not included in your voyage fare. For your convenience 18% gratuity will be added to your onboard account for Spa services.

CHILDREN & FAMILIES

Q: What about facilities for families?

A: Azamara Club Cruises accepts guests of any age, but discourages families from sailing with children under 18 years of age, as the onboard ambience and experience caters to adults and there are no activities for children or baby-sitting services available.

Please note: we have a medical centre on board which is staffed by a fully qualified doctor; however please note that our doctors are not paediatricians. Guests must therefore bring onboard an adequate supply of specific medications they need for all members of their family.

The minimum age for infants to sail is six (6) months, as of the date of sailing and twelve (12) months, as of the date of sailing for Transatlantic, Transpacific, South American, Australasian and certain other cruises. For any cruise containing 3 or more consecutive days at sea, the minimum age to sail is twelve (12) months. The health and safety of our guests is our number one priority. As such, in consideration of the limitations of the shipboard medical facility, equipment and staff, the company cannot accept waivers, releases or requests for exceptions to this policy.

DINING & DRINKS

Q: When and where can I dine on board?

Full breakfast is available to be served between 6:30 am–10:00 am in guests' staterooms. Guests should notify their stateroom attendant the night before by filling out the breakfast request form and placing it on the mail clip outside their suite/stateroom door. In addition, suite guests during restaurant luncheon and dinner hours may order room service from the restaurant menu. Ask your butler for the menus of the day.

Q: What about alcoholic drinks?

A: The minimum drinking age for all alcoholic beverages on Azamara Club Cruises ships is twenty-one (21). However on International cruises departing from ports in Europe, Asia, South America and Australasia, where the legal drinking age is typically lower, the minimum drinking age is lowered to eighteen (18). All guests must agree to comply with Azamara's Guest Conduct policies. The minimum drinking age for all alcoholic beverages on Azamara Club Cruises ships sailing from North America and at our private shoreside resorts such as Labadee and Perfect Day Island at CocoCay and when in US & Canadian ports will remain twenty-one (21). An individual's age on the date of sailing determines his or her status for the entire cruise holiday. We reserve the right to vary minimum age limits without notice where local laws require or where deemed desirable or necessary. Please note: Due to Spanish regulations, we are not permitted to sell alcohol or cigarettes from the duty free shops on board selected sailings that depart from Barcelona. Restrictions apply and this policy is subject to change without notice. Please note that within the territorial waters of some countries on your itinerary or the embarkation port, the onboard shops may be closed or alternatively restrictions may be imposed on some items available for purchase. Please note: that some of our cruise itineraries call exclusively upon EU ports of call and for such cruises we are required to charge VAT (value added tax) on certain onboard goods and services depending on the VAT regulations of the home port country or the country of a port of call. Such VAT is charged on goods and services at the point of sale and is subsequently paid over to the country charging the VAT. Non-EU residents may be able to reclaim VAT paid on physical goods when they depart from the EU, normally at the departure airport. Restrictions apply and this policy is subject to change without notice. You may bring your own favourite spirit, beer or wine for private consumption in your suite or stateroom. If you wish to consume your spirit, beer or wine in any shipboard restaurant, bar or dining venue, each bottle is subject to a corkage fee of \$10. Alcohol purchased on board from the Duty Free Gift Shop is not for consumption on board during your cruise, any such alcohol will be stored and delivered to your stateroom on the last night of the cruise.

ONBOARD MEDICAL FACILITIES

Q: What happens if I am ill on board ship?

A: There is a medical centre on board our ships, which is staffed by a fully qualified doctor and a minimum of one nurse. The medical services available and medications kept on board are extremely limited, and guests must bring an adequate supply of any specific medications they need. Our medical facilities are not intended or designed to serve as a clinic for guests. There is a charge for all medical services and adequate travel medical insurance is strongly recommended. Charges must be paid on board ship and claims for reimbursement should be directed to your travel insurers. Charges are based upon U.S. Government Medicare Physician Fee schedules. The medical centre provides complimentary motion sickness tablets if required. We are not responsible for the diagnosis, treatment or services furnished by shipboard medical personnel.

SMOKING

Q: What is your smoking policy?

A: Azamara Journey Azamara Quest and Azamara Pursuit have one designated smoking area. This area is located on

the starboard forward section of the Pool Deck. Smoking areas have signs indicating that smoking is permitted there. All other areas of the ships are non-smoking. This includes Public Rooms, Restaurants, Pool Deck, Staterooms and Suites, Verandas, Corridors and Halls. For the comfort of all of our guests, we request strict adherence to this policy, and thank all of our guests for their cooperation. Please note that the above policy is subject to revision in order to comply with current U.K. and European health legislation, the intention of which when fully implemented is that the smoke-free provisions of The Health Act 2006 will apply to all cruise ships when they are arriving or departing from a U.K. port while within U.K. and European territorial waters. Changes may be introduced where countries that we are sailing to/from enforce their local smoking regulations.

SHORE EXCURSIONS

Q: How do I find out about and book shore excursions?

A: To get the most enjoyment out of your visit to a port of call, our team of travel experts have contracted with independent, reputable local tour operators to offer you curated exceptional new shore excursions.

To ensure you do not miss out on your chosen shore excursion, we strongly recommend that you visit our website Azamara.com (click on 'Shore Excursions') to view tours available for your sailing and to pre-book your place. These must be booked and pre-paid at least 5 days prior to your sailing date. We strongly recommend that you reserve your place on the AzAmazing Evening provided on our sailings in advance of boarding if you wish to attend. As places are limited we recommend you book early to avoid disappointment Please note however that if you do confirm your place and do not participate in the AzAmazing Evening, you may be liable to pay a cancellation fee. Alternatively you are free to explore and make your own arrangements at each port of call, travel documents permitting.

The staff at the Shore Excursions Desk on board will be happy to provide you with information and book your excursions. The cost will be charged to your Azamara KeyCard account. Please note some excursions are subject to minimum numbers requirements and may be cancelled if these requirements are not met. Proof of certification is required for all scuba tours.

Subject to our Booking Conditions, Azamara Club Cruises is not responsible for any injuries or losses sustained whilst guests are ashore, whether on organised excursions or otherwise. Please also see clause 4.5 and 4.7 of our Booking Conditions.

CONTACTING THE SHIP

Q: Can I be contacted?

A: Friends and family can reach guests on any Azamara ship 24 hours a day via telephone simply by dialling 1 321 953 9001. Callers must pay by credit card (Visa, MasterCard, American Express). There is no charge for waiting or dialling time; charges begin when the caller connects to the ship. Alternatively, friends and family can e-mail you providing you have an Internet e-mail account. E-mail centres are available on all Azamara ships. Costs will be charged to your Azamara KeyCard account. Please note that mobile phones with international capability will not work whilst a ship is at sea.

CONSECUTIVE CRUISES (EXTENDED VOYAGES)

Q: What about consecutive cruises?

A: Consecutive cruises are cruises taken back to back. For example, a Western Caribbean cruise immediately followed by an Eastern Caribbean cruise. Please note that there may be duplication of onboard programmes, menus and entertainment. Please also note that due to the preparation of the ship between sailings, some shipboard facilities may not be available on changeover day. On the changeover day, it will be necessary for you to disembark the ship in order to comply with customs and immigration. It is also necessary for all back to back cruise guests to re-register their Azamara KeyCard on changeover day for the new sailing this must be done at the pier before you board the ship again for your next cruise. If you have booked the same stateroom for each sailing, you may leave luggage within your stateroom. If you have booked different staterooms for each sailing, you will need to pack your luggage at the end of the first sailing and it will be stored for you until your new stateroom is ready for occupancy. Please note that, as our ships are not US flagged, in accordance with US legislation, we are not permitted to fulfil bookings of two or more consecutive cruise itineraries whose first itinerary commences in one US port and the second itinerary concludes in a different US port unless such itineraries include a distant foreign port. If you wish to book two consecutive sailings that commence and conclude in different US ports we recommend that rather than booking online you instead contact our reservations department or your travel agent for further advice on such sailings before making a booking. Where we identify that a booking has been made in violation of these requirements we must reserve the right to cancel any such booking(s) and refund to you the price paid.

MISCELLANEOUS

Q: What is Cellular at Sea?

A: We're pleased to offer an advanced cellular roaming network that allows you to make calls from anywhere in the world using your own mobile phone and number. If your network provider supports them, you may also be able to access GPRS and GSM services such as email, web access, and text messaging. Guests are encouraged to check with their providers prior to sailing, to enable roaming and check rates. All international roaming charges will be conveniently billed to your home carrier.

Q: Can I join the ship once the cruise is underway at a port of call further along the cruise itinerary?

A: It may be possible for us to arrange for guests to be 'down lined'. Our staff will need to arrange for security access to be granted for guests to join the ship at a later stage. We must be advised as soon as possible, so we have time to arrange for requests to be authorised. Please note that on some sailings, due to immigration constraints or local legislation, we are unable to arrange down lining for our guests.

Q: What are tenders?

A: A ship tender means that our guests will go to a tender platform, from which you will board smaller boats (holding around 100 people and more) which will bring you to land. On occasion and due to operational reasons, it is necessary for us to switch from a docked port of call to a tender.

Q: What transfer arrangements will be made at each port of call to take me to the nearest city?

A: The transfer arrangements vary at each port of call. In some ports of call, there is a complimentary shuttle available. In some ports of call, a shuttle can be provided for a charge. For a list of all transfer arrangements, this information will be provided onboard the ships.

1. Booking your holiday

1.1 How do I make a booking?

To book your chosen holiday, contact your travel agent. Guests who purchase their holiday arrangements via our website need to ensure that all details are correct at the time of booking as amendment or cancellation charges may apply to any components that are requested to be changed at a later date due to any error or omission made by you. If booking through one of our authorised travel agents the first named person on the booking (who must be at least 21 – see clause 4.3) must complete and sign our booking form. This must then be handed to your travel agent to be kept on file. For all bookings created you must pay a deposit of €500 per person (or full payment if booking within 120 days of departure). Your full name as it appears on your passport, as well as your date of birth, must be given at the time of reservation. Please note, you are also able to book a future cruise whilst onboard one of our ships, using our 'Azamara Passages' programme. Please visit the Cruise Sales Manager onboard who will be able to assist. Specific terms and conditions apply for Azamara Club Cruises' 'Reserved/ Open Passages' bookings. Please note that any bookings made onboard will be subject to these booking conditions. Your full name as it appears on your passport, as well as your date of birth, must be given at the time of reservation. Please note that any bookings made onboard will be subject to these booking conditions. Please note that any payment you make to us using a debit or credit card will be settled via a bank in the U.S., and therefore your card issuer may choose to apply a foreign settlement fee. Please refer to the terms and conditions of your debit or credit card for details.

1.2 How will my holiday be confirmed?

Providing your chosen holiday is available and we have received your booking form (where applicable) and all appropriate payments, we will send our Confirmation Invoice to you (if booking direct) or to your Travel Agent. A binding contract between us only comes into existence when we send out our Confirmation Invoice. A contract will exist at this point, even if we are unable to confirm your flight details at that time. This invoice will show the balance due on your holiday that still has to be paid. Please check all details are correct as soon as you receive your Confirmation Invoice, electronic cruise tickets and any other documents from your Travel Agent or us. If any details appear to be incorrect, you must inform your Travel Agent within 7 days of us sending the document to your Travel Agent or you for all documents other than e-tickets and within 5 days for e-tickets.

1.3 What information must I provide to you and why?

From time to time we may be required to pass on to national immigration authorities, airlines and/or possibly other authorised bodies certain personal and other details relating to our guests. You should provide us with specific information at the time of booking your cruise. This information includes certain personal information, passport, emergency contact and insurance details. We will inform you at the time of booking, or as soon as we become aware, of the exact details required and the date we require that information. By providing us with the details requested under these Booking Conditions, you consent to the sharing of your personal data with third parties including where necessary the transfer of your personal data outside the European Economic Area for the purpose of fulfilling this holiday contract with you. If you fail to supply full and accurate details within the time limits we specify, we shall be entitled to refuse your booking or treat such failure to provide such information within the time limits specified as a cancellation of your holiday. Further, where we do not exercise our right to cancel your booking in these circumstances, you agree to reimburse us for any fines, surcharges or other financial penalties we incur as a direct consequence of any failure by you to provide full and accurate details within the time limits we specified to you. We strongly recommend you visit our website at Azamara.com and click on 'Booked' then 'Online Check-in' and submit these details online. Providing this information online and prior to your cruise will significantly speed up your check-in process and can enable you to board the ship sooner and avoid delays and queues at the cruise terminal. If you have not completed online check-in, you will be required to complete this process at the pier no later than two hours prior to the published sailing time. If you are unable to complete the online check-in process, this may be due to an outstanding balance on your booking. If you have booked via a travel agent, please speak to your travel agent so that the funds can be transferred to us so that you can complete the online check-in process or where you have booked directly with us to contact us to arrange the transfer of any outstanding payments.

Please note: all guests must be checked-in and onboard the ship no later than 90 minutes prior to the published sailing time or they will not be permitted to sail. You will need to have your booking ID and date of sailing to hand or, if we have already received this information from you at the time of booking, verify that the details we are holding are complete and accurate. If you do not have access to the Internet, please see your Travel Agent. They will advise you on how this information can be provided or verified. Our procedures may change and we will inform you of any changes at the time of booking or as soon as possible thereafter. We may need to pass the information you give us at the time of booking or later to the various suppliers who provide the elements which make up your holiday. At the time of printing this brochure the EU airlines we use are also required to pass certain of their passenger data to the U.S. Authorities. It may also be necessary for such data to be passed to other authorities also. This will include at least some of the information you provide to us. If you fail to supply the details requested, both fully and accurately, we are entitled to refuse your booking or, if you fail to provide them at a later date you may not be permitted to board your cruise ship and/or outward and/or return flight. We will not accept any liability in this situation and we will not pay you any compensation or make any refunds. You will be responsible for your onward/return travel arrangements. If failure to have this information results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly. Please also see our Privacy Statement on page 85.

Passengers arriving in the U.S. will have a digital photograph taken, and have electronic finger prints taken. If you would like further information, please ask at the time of booking or contact the U.S. Embassy.

1.4 When is the balance due?

Please note that we must receive the full balance of the holiday cost not less than 120 days prior to departure. If we have not received all monies due to us in full and on time (including any surcharge where applicable), we shall treat such non-payment as a cancellation by you of your holiday. In this case, you will have to pay cancellation charges as set out below (see clause 1.10).

1.5 What happens to money paid to a travel agent?

Your travel agent is responsible for paying us for your holiday and our liability to provide your holiday is subject to receipt of full payment from your travel agent. If you are unable to complete the online check-in process and print your barcoded Xpress boarding pass, this may be due to an

outstanding balance on your booking. If you have booked via a travel agent, please speak to your travel agent so that the funds can be transferred to us to ensure full payment for your booking is received and you can then complete online check-in.

1.6 What does the price include?

All prices are per person in Euros and are based on two people sharing a Club Interior stateroom. Some elements of your holiday, including what is and is not included in the price will vary by itinerary. However, generally cruise prices include the following where applicable: full board accommodation, entertainment* on board ship, gratuities**, bottled still water, sodas, speciality coffees and teas, house wines at lunch and dinner, our inclusive selection of beers & spirits, self-service laundry, port, transfers, as stated in the itinerary; hotel accommodation as stated in the itinerary (room only basis unless otherwise stated), representatives at some overseas arrival airports on standard departure dates; and all relevant taxes excluding those set out below.

Unless otherwise agreed, the price does not include shore excursions and personal expenses (for example, speciality dining options***, enhanced beverage packages, dry cleaning charges, health and beauty treatments, hairdressing, telephone calls, Internet charges etc.); hotel meals onshore (unless otherwise stated); transfers by any method; travel insurance; service charges (Spa only), gratuities ashore; anything else which is not specifically mentioned as being included in the price.

* A charge may be made for some entertainment activities on board.

** Excluding Spa visits

*** Speciality dining in Azamara Club Cruise's intimate Prime C steak house and the Mediterranean-influenced Aqualina is complimentary for suite guests for the duration of their voyage.

We reserve the right to include a fuel supplement when making a booking. The value of the supplement will be confirmed to you at the time of making a booking with us. Please note, if you are taking consecutive cruises there may be some duplication with regard to onboard programmes, meals and entertainment.

We reserve the right to make a fuel surcharge when making a booking, to reflect the cost of fuel or other power sources. We may also increase prices to reflect changes in relevant taxes, fees or foreign exchange rates. See section 1.9 for further details relating to the limits of any price variation.

1.7 How do I obtain the lowest price per person?

To make sure you get the maximum savings available for your chosen departure and stateroom category, you should book early as prices may change at any time. The price will vary by ship, itinerary, sailing dates and stateroom category. To find out the price for your chosen cruise, sailing date and stateroom category, contact your travel agent.

1.8 What is a 'Guarantee' (GTV) booking?

We may (at our discretion) offer you the option of making a 'Guarantee' (GTV) booking. This means you may book a stateroom of a guaranteed minimum category type, (specified by us prior to booking) on your chosen ship. However, the exact location of the stateroom on the ship will be allocated by us (at our discretion) and at any time up until checking in at the Port. Once your GTV stateroom has been allocated to you, we are unable to accept any changes requested by you. The benefits to you of a GTV stateroom are that after your booking has been confirmed, we may (at our discretion) upgrade your stateroom to one of a superior category to that originally booked at no extra charge to you. In any event, you are 'guaranteed' the minimum category of stateroom we agree to offer at the time of booking. If you have a specific requirement, are travelling with family or friends you wish to be located near or a specific stateroom location we suggest you do not book a GTV. At times, we may offer promotional GTV offers. Such promotional GTV categories are defined as follows:

- X - Club Suite
- W - Club Veranda stateroom
- Y - Club Oceanview stateroom
- Z - Club Interior stateroom

AX, AY and AZ are the accessible versions of the above.

Please note: If you book 2 or more cruises to be taken consecutively (back to back) and either one or all cruises are booked under a GTV (guarantee) basis, there is the possibility that you will be allocated different staterooms on each cruise, therefore necessitating the need to move between staterooms on the changeover day between your consecutive cruises.

1.9 Will the price change?

We reserve the right to increase or decrease the prices of unsold holidays at any time. The price of your chosen holiday will be confirmed in accordance with clause 1.2.

Once the price of your chosen holiday has been confirmed at the time of booking, then subject to the correction of errors, we will only increase or decrease the price if transportation costs or dues, taxes or fees payables for such services such as embarkation or disembarkation fees at ports or airports increase or decrease, or our costs increase or decrease as a result of any adverse or favorable changes in the exchange rate which have been used to calculate the cost of your holiday. Price increases or decreases after booking will be passed on by way of a surcharge or refund and we will impose any such variations within 30 days of the sail date of your cruise holiday. A surcharge or refund (as applicable) will be payable, subject to the conditions set out in this clause.

Even in the above cases, only if the amount of the increase in our costs exceeds 2% of the total cost of your holiday (excluding any amendment charges), will we levy a surcharge.

If any surcharge is greater than 8% of the cost of your holiday (excluding any amendment charges) and we advise you in writing no later than 20 days prior to the start of your holiday, you will be entitled to choose one of options (a), (b) and (c) as set out in section 4.5 below.

You have 14 days from the issue date printed on the surcharge invoice to tell us if you want to choose option (b) or (c) as set out in clause 4.5 below failing which we shall deem you to have accepted the change and will invoice you accordingly for such additional costs and indicate the time period to make such additional payment. If you do not tell us that you wish to choose either of these options within this period of time, we are entitled to assume that you do not wish to do so and will pay the surcharge. Any surcharge must be paid with the balance of the cost of the holiday or within 14 days of the issue date printed on the surcharge invoice, whichever is the later. We promise not to levy a surcharge within 30 days of the start of your holiday. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your holiday due to contractual and other protection in place. A refund will only be payable if the decrease in our costs exceeds 2% as set out above. Where a refund is due, we will pay you the full amount of the decrease in our costs.

We reserve the right to correct errors in both advertised and confirmed prices. We will do so as soon as we become aware of the error. Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. Please note any changes you make to your booking may result in a change in price explained in clause 1.11 below.

1.10 If I have to cancel my cruise holiday, will I receive a refund?

If you or anybody travelling with you wishes to cancel either your/their holiday, you must contact your travel agent and give notice in writing using registered mail or email to ensure safe receipt of the cancellation letter. The holiday will only be cancelled on the date we actually receive the written notice of cancellation. Generally if you cancel you will have to pay the cancellation charges set out below. Amendment charges cannot be refunded in the event of cancellation.

The following cancellations charges will apply calculated by reference to the full booking price of your holiday:

Initial sailing date on or after the 1st January 2018	
30 days or less	100%
60 to 31 days	75%
90 - 61 days	50%
120 - 91 days	25%
Date of deposit to 121 days	€60 per person
Guests who convert their cruise tours to a cruise only booking within 42 days of the start date of the tour segment of the cruise tour will be subject to a cancellation charge. The amount of that charge varies depending on the location of the cruise tour and/or its length. Please note that any amendment or transfer fees will also be charged when a booking is cancelled. These fees are detailed in clause 1.11. Be advised that any refund due to you shall be paid to you within 14 days of cancellation of any booking.	

Please refer to clause 1.11 when making a significant amendment within 90 days for sailings departing on or after 1st January 2018, as your booking variation may be treated as a cancellation of your original booking and cancellation charges will apply. Therefore a new booking will then be created incorporating any new business rules or terms and conditions applicable at that time.

Please note: The date of departure means the date the arrangements you have booked with us commence. Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to your insurance company. Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you at the applicable higher price.

1.11 Can I make changes to my booking after it has been confirmed?

Should you wish to make any changes to your confirmed holiday, you must notify us in writing as soon as possible. Whilst we will endeavour to assist you, we cannot guarantee we will be able to meet any such request. For guests wishing to make a significant amendment to their booking outside of 120 days from departure, such as changing the ship or sail date, please note that a booking transfer fee is applicable. The transfer fee is €96 per guest which is limited to the first two guests on a booking, therefore any additional guests will not be charged as well.

Please note, the transfer fee is a non-refundable amount, which will be included in any cancellation charges as detailed in clause 1.10.

Please note that your booking will be re-priced in-line with the up to date business and price rules and a new confirmation invoice will be issued.

If you request a change within 120 days of departure, this may be treated as a cancellation of your original booking and cancellation charges as set out in these terms and conditions will be payable (see clause 1.10). The changed arrangements will then be treated as a new booking.

If you, or any persons travelling with you, are prevented from taking the holiday such as due to medical reasons, you/they may give your/their place on the booking to someone else (suggested by you). In this situation, providing we are given not less than 7 days' notice in writing of your wish to make the change, we will permit the name change. You must

produce documentary proof of the reason for the transfer of your/their booking with the request (e.g. a letter from a doctor etc.). Both the person who was originally due to take the holiday and the person who actually does so, must make sure that the administration fee and any charges/costs (see below) as well as any amount which is still due to be paid for the holiday, is paid in full before the change will be made.

1.12 Will I need travel insurance?

All guests should ensure that they have appropriate personal travel insurance before departure. This must include as a minimum cover for the cost of cancellation by yourself and the cost of medical treatment and assistance including repatriation in the event of accident or illness. It is your responsibility to make sure that the insurance you purchase is suitable and adequate for your particular needs and to purchase additional or alternative insurance if required. We would strongly recommend that you contact your travel agent or an independent insurance broker for details of suitable policies and the coverage included for situations such as industrial action or volcanic ash flight disruption.

2. Before you leave home

2.1 What about valuable or important items?

Please make sure that all valuable and important items (for example, medicines, jewellery, fragile items, important travel and other documents, video/camera/laptop computer/mobile phone, etc.) are carried by hand and not packed in your luggage and/or left unsecured in your stateroom or elsewhere on board the ship. Special care must be taken of such items. For your protection once on board, all valuable and important items should be deposited with the Guest Relations Desk or in your stateroom mini-safe. You are also strongly advised to take out appropriate and adequate insurance to protect such items. We cannot accept any responsibility or liability for any valuable or important items, which are not deposited with the Guest Relations Desk or with your hotel (booked with us) for safekeeping. For items which are so deposited, the maximum we will pay you if any item(s) is lost or damaged (for any reason) whilst in our care is the maximum which is payable under The Athens Convention (see clause 4.8).

So that we may assist as much as possible, you must tell us about the problem as soon as possible. If you discover the loss, delay or damage when onboard, you must immediately report it to the Guest Relations Desk. The time limits for notifying any loss, delay or damage, are as follows: Any damage or delay, which is apparent, must be notified to ourselves and the supplier of the service concerned (if it is not us) before or, at latest, at the time of departure from the ship or, for other services, whilst using or at the end of using those services. Any loss, damage or delay, which is not apparent, must be notified to ourselves and the supplier of the service concerned (if it is not us) within 15 days of departure from the ship or the end of your using the service in question. In the event that you do not notify us within these time limits, this may affect our ability to investigate the loss, delay or damage and may impact on the way the complaint is dealt with.

In all cases, you must give credit for payments received from any airline and/or other supplier in connection with your claim. You must also give us details of any relevant insurance coverage you hold. In appropriate cases we are entitled to ask you to reduce your claim by the amount received from any/all insurance companies.

2.2 Are there any prohibited items that I cannot take with me?

You must not pack in any luggage or bring on board any item specified as dangerous or illegal (e.g. guns, knives (ceremonial or other), explosives, drugs, animals, flammable items, etc.). In addition, we/the airline may specify other items which you must not bring with you, and may also refuse to allow you to take on board any item which we/the airline, consider being inappropriate. If we or the Master of the ship have reason to believe that any stateroom may contain any item or substance which should not have been brought on board, the Master or an authorised officer has the right to enter and search the stateroom concerned and seize any such item or substance.

Please ensure that any sharp items, including but not limited to scissors, razor blades, nail clippers, tweezers, combs with metal prongs and knitting needles, are packed in your check-in luggage and not your hand luggage due to airport security measures.

2.3 What should I do if my property is lost, delayed or damaged during my cruise?

This clause applies in relation to any loss, delay or damage to property which occurs during your cruise or whilst getting on or off the ship or whilst using any services provided or arranged by us except for any claims in relation to any valuable or important items (see clause 2.1) or in relation to air travel, including the process of getting on or off the aircraft (see clause 2.4 below).

It is our guest's responsibility to remove all of their belongings from their stateroom when they depart their cruise. If an item is left onboard, whilst we will assist you in trying to recover the item, if we are unable to do so, then we cannot be held responsible and we will refer you to your travel insurance to make a claim for the item. Please note that items left behind may be destroyed.

You must tell us about the problem as soon as possible. If you discover the loss, delay or damage when on board, you must immediately report it to the Guest Relations Desk. The time limits for notifying any loss, delay or damage, and the maximum amount which will be payable by us or the supplier concerned, are as follows: Any damage or delay, which is apparent, must be notified to ourselves and the supplier of the service concerned (if it is not

us) before or, at latest, at the time of departure from the ship or, for other services, whilst using or at the end of using those services. Any loss, damage or delay, which is not apparent, must be notified to ourselves and the supplier of the service concerned (if it is not us) within 15 days of departure from the ship or the end of your using the service in question. If you can prove that the damage, delay or loss was our fault or the fault of the supplier of a service that we agreed to arrange as part of your holiday, we will compensate you for the loss or damage you can prove you have suffered as a result, subject to and in accordance with The Athens Convention. However, the maximum we will have to pay you for any damage, delay or loss in these circumstances is the maximum which is payable in respect of cabin luggage under The Athens Convention. This will also be the case where any property is damaged, delayed or lost whilst not on board or getting on or off the ship but using other services (apart from air travel) which form part of the holiday we have contractually agreed to provide. In all cases, you must take account of payments received from any airline and/or other supplier in connection with your claim. You must also give us details of any relevant insurance coverage you hold. In appropriate cases we are entitled to ask you to reduce your claim by the amount received from any/all insurance companies.

2.4 What is my luggage allowance?

Each adult passenger is permitted to bring onboard the ship or check-in only the wearing apparel and personal effects reasonably necessary for the cruise, which includes suitcases, trunks, valises, satchels and suit bags containing toiletries and similar items. For the avoidance of doubt we are not obliged to transport items such as the tools of trade, household items such as white goods or any other items that are not customary carried by passengers on cruise holidays. The maximum luggage allowance for guests boarding our ships is 90kg per guest, however, airlines also impose their own baggage allowance, with which you must also comply, this is usually less than the cruise allowance. We strongly recommend that you check with your airline for confirmation of your baggage allowance as in some instances baggage allowance can be limited to as little as 15kg. Please note, we reserve the right to strictly enforce the luggage allowance limitation.

2.5 What are the passport and visa requirements for my holiday?

All guests onboard Azamara Vista, Azamara Journey and Azamara Pursuit are required to carry a valid passport and have valid visas for travel to each of the destinations on their itinerary where applicable. Guests who do not possess the proper documentation will be prevented from boarding the ship. We regret we cannot accept any liability if you are refused entry onto any flight or into any country, or otherwise suffer any difficulties or incur any costs as a result of not having the correct passport and/or any required visa(s). For your protection, we recommend that your passport expiration date not occur within 6 months of the voyage termination date and we recommend that you check the applicable passport and visa requirements with the embassies of the countries you will be visiting during your cruise at the time of booking and check the up to date position either yourself or via your travel agent in good time before departure.

US Travel: Please be advised that if you are travelling to the US, unless you are a US national, you will always need a visa unless you are eligible under the visa waiver program. For full details of the visa waiver program, eligibility requirements and to apply visit <https://esta.cbp.dhs.gov/esta/>. Please be advised that visas and new passport applications can take several weeks to process so we recommend you check the position and apply early.

It is the sole responsibility of the guest to have all travel documentation with them and available for inspection when required by relevant authorities or transport personnel. These appropriate valid travel documents such as passports, visas, inoculation certificates and family legal documents are required for boarding and re-entry into any country on your ship itinerary. Guests who do not possess the proper documentation may be prevented from boarding their flight or ship or from entering a country and may be subject to fines. No refunds will be given to individuals who fail to bring proper documentation.

You must ensure that exactly the same name (including initials) appears on your ticket as in your passport. If there is any difference, you may be refused entry onto your flight/ cruise. We regret we cannot accept any liability if you are refused entry onto any flight or into any country or otherwise suffer any difficulties or incur any costs as a result of not having an acceptable passport or any required visa(s).

Certain Port Authorities may from time to time ask to see photo identification when you depart the ship during the cruise. We strongly suggest that you take a photocopy of your passport in addition to your passport itself with you on holiday and carry the photocopy with you each time you depart the ship in order to minimise any inconvenience this may cause and to help with any situation where a passport is lost or stolen.

Important: These requirements should act as a guide only and are subject to change at any time. For updated advice please contact us or your travel agent.

2.6 Are there any formal health requirements?

Please contact your doctor for advice and the most up-to-date health requirements for all destinations featured in this brochure at least 8 weeks prior to travel. Azamara Club Cruises welcomes pregnant guests but will NOT accept guests who will enter their 24th week of pregnancy by the

beginning of, or at any time during their cruise holiday. All pregnant guests are required to bring a doctor's fit to travel letter with them to the pier, stating the number of weeks pregnant at date of sailing and that they are not a high risk pregnancy. A copy should be sent to Special Services in advance of sailing (see clause 3.4). Please check our website for full details. To ensure a healthy sailing, we request that guests complete a questionnaire at the port before check-in to confirm if they are suffering from or showing symptoms of gastrointestinal type illness or other illnesses that spread easily from person to person.

2.7 What if I cannot travel?

For EU resident consumers making bookings post 1st July 2018, in the event you wish to transfer your booking to another party, you must notify us in writing at least 7 days prior to the departure date. In the event that there are any increased costs in making such changes e.g. flight cancellation and rebooking fees, administrative fees or other charges or costs deriving from such transfer, both you and the other party shall be jointly liable to pay those fees, charges or costs.

3. On board ship

3.1 What are the dining arrangements?

Open seating in the main dining room means that guests can eat whenever they choose between 6:00pm - 9:30pm. Dining times may vary slightly on port days due to shore excursion departures.

3.2 What about special diets?

Azamara Club Cruises® can accommodate the following special diets on board: vegetarian, diabetic, low-fat, low-sodium, low-cholesterol diets. Other special diets such as kosher meals, gluten-free and lactose-free may be available upon advanced request. Note: Kosher meals are pre-packed and are only available for dinner in the main restaurant. Please note that Kosher food and other special meal requests may not be the same standard and offer the same range as the food provided under the general menu. Please submit your dietary request in writing at least 80 days prior to your sail date giving as much detail as possible as to your particular requirements. We will endeavour to accommodate reasonable requests, although we cannot guarantee we will be able to meet requirements. Please ask your Travel Agent for further information.

Please note that whilst we are able to take requests for specific dietary requirements and take note of food intolerances, this is confined to the main restaurant on each ship. We are unable to guarantee or accept responsibility that the food served in any other food establishment on board ship will be able to cater for specific dietary requirements and food intolerances.

3.3 What about Special Services/Requirements?

We seek to assist those passengers with disability and reduced mobility by making reasonable endeavours to cater for those with special services/assistance requirements. For those with disability or reduced mobility we will seek to ensure comfortable travel through airports, piers and on board by liaising with airlines, port agents, hotels, transport companies and of course our ships to make any reasonable and necessary arrangements for assistance for genuine medical reasons. Please advise us in writing of any special requirements you may have at the time of booking e.g. the carrying of any special medical equipment, assistance animals, wheelchairs, assistance at the airport/port/on board or relating to ship or hotel accommodation at the time of making a booking. We will also provide with your first Confirmation Invoice a 'Guest Special Needs' form (also available on our website) which we ask you to complete and return to us no later than 80 days before travel as this gives you the opportunity to consider and advise us in detail of any special requirements you may have in writing.

Where we cannot provide appropriate support or the services as requested we will advise you as soon as possible. The request/information can be emailed to special_needs@azamara.com. Should your needs change after booking or you become aware that you need assistance as described above you must notify us immediately and we will make reasonable efforts to assist you at that time. Based on the information you provide about any special needs you may have, we will assess the suitability of the trip based on those needs as we owe you a legal duty of care to ensure you are reasonably safe whilst in our care. If we consider that, because of your special needs, your booked holiday is unsuitable, we will make contact with you as soon as possible after you have provided information to us about your needs to explain our reasons and assess any possible alternatives.

For all potential guests considering cruising with Azamara Club Cruises, please feel free to make contact with us in advance of making a booking to discuss with us any special needs. We can then advise on an informal basis if we consider your chosen cruise is suitable. Please note that any sensitive personal information you provide to us will be treated in the strictest confidence.

3.4 Can a special request be guaranteed?

Regrettably no. If you have a special request, please give details in writing to your Travel Agent at the time of booking. Whilst we and our suppliers will endeavour to meet reasonable special requests, we regret we cannot guarantee that we/the supplier will be able to do so. Not meeting any special request for any legitimate reason will not be a breach of contract. If a special request can only be met at an additional cost, that cost will either be invoiced prior to departure or will be payable locally. Confirmation that a special request has been noted and passed on to the supplier

or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met.

Unless specifically agreed by us in writing at the time of booking, we cannot accept any booking that is conditional on a special request being satisfied. Such bookings will be treated as normal bookings subject to the above comments on special requests.

3.5 Shore excursions and activities

The information contained in our brochure is correct to the best of our knowledge at the time of the brochure going to print. Our brochure descriptions may refer to activities, which are available in the ports you are visiting. We have no involvement in any such activities, which are neither run, supervised nor controlled in any way by us. They are provided by local operators who are entirely independent of us and we act as the agent for these operators. They do not form any part of your contract with us even where we suggest particular operators/centres and/or assist you in booking such activities in any way unless they are expressly booked as part of your package holiday.

Accordingly, we cannot accept any liability in relation to such activities and the acceptance of liability contained in clause 4.7 of our booking conditions will not apply to them. We cannot guarantee accuracy at all times of information given in relation to such activities or about the resorts/area you are visiting generally (except where this concerns the services which will form part of your contract) or that any particular excursion or activity which does not form part of our contract will take place as these services are not under our control. If you feel that any of the activities mentioned in our brochure, which are not part of our contract, are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation. If we become aware of any material alterations to resorts/area information and/or such outside activities, which can reasonably be expected to affect your decision to book a holiday with us, we will pass on this information at the time of the booking.

Special arrangements for those guests with reduced mobility or disability may be available on certain shore excursions that have been risk assessed as suitable. For details including any cost consequences for making those special arrangements, please email - shorexaccess@rccl.com with details of any special requirements. Where applicable, please also provide wheelchair/scooter dimensions, weight and battery type.

3.6 Assistance

From the 1st July 2018, if you are in difficulty while on holiday and require assistance with health services, local authorities or consular assistance, please call us on +1 305 341 0206 for information. Agents speak English and Spanish language only and you will be charged the local costs to call the US.

Azamara Club Cruises may charge a reasonable fee for such services. Onboard please refer to the Guest Relations Desk or the Medical Centre.

4. Additional information

4.1 What if I am travelling with a group?

Please consult your travel agent for deposit, payment, cancellation and other information. Terms and conditions for those travelling in a group are different to those that apply to individual bookings.

4.2 What about guests with special needs?

You must ensure that you are medically and physically fit for travel, and that such travelling will not endanger yourself or anyone else. At the time of booking (or as soon as possible if the condition arises after booking) you must tell your Travel Agent in writing about any assistance or requirements that you have relating to accommodation, seating or services on your holiday including medical assistance or a requirement to bring medical equipment onto the cruise. We also ask that you notify us of any medical or physical condition which will or may require medical treatment or attention during your holiday or which may or will affect your holiday in any way (including your use of any services or facilities) in order that we can prepare accordingly and make all reasonable efforts to accommodate you in a safe manner.

Any assistance or requirements that you have relating to accommodation, seating or services including medical assistance or a requirement to bring medical equipment must be advised to us, where known at time of booking. Should your needs change after booking or you become aware that you need assistance as described above you must notify us immediately and we will make reasonable efforts to assist you at that time. Where we cannot provide appropriate support or the services as requested we will advise you as soon as possible. Except as set out below, our ships have selected staterooms designated for guests with physical disabilities. Guests who use wheelchairs must provide their own collapsible wheelchair and may find certain areas of the ship inaccessible. If you would like to bring a motorised wheelchair or scooter on board you must contact our Special Services department (see clause 3.4) at time of booking to provide the dimensions as size limitations may apply and we may not be able to accommodate this request. Certain conditions (for example, use of tenders or some shore excursions) may prevent guests with wheelchairs from going ashore at certain ports of call. We regret we must reserve the right to refuse to allow anyone to travel in accordance with EU Regulation 1177/2010. This includes a refusal in order to meet safety requirements established by international, union or national law or those competent authorities, or where the design of the ship or port infrastructure (including terminals) and equipment makes it impossible to carry out the embarkation, disembarkation or carriage of a guest in a safe or operationally feasible manner. If you

think you may require assistance please speak to your travel agent at the time of booking so we can consider any special requirements you may have.

4.3 Are there any age restrictions?

On ships departing from ports in Europe, Asia, South America, Australia or New Zealand, no person under eighteen (18) (a 'minor') may sail on any cruise holiday or have a stateroom on his or her own unless accompanied by a parent, a legal guardian or authorised person* who is over the age of eighteen (18). Please note, that for any of our ships sailing from a port in the US or Canada, the minimum age for the above policy will be twenty-one (21). For minors under the age of eighteen (18) at the start of the sailing who are not travelling with at least one of their parents or a legal guardian, written authorisation for an authorised person to accompany the minor must be provided from a parent/legal guardian.

Minors travelling with an adult(s) who is not the parent or legal guardian shall be required to present (a) the minor's valid passport, (b) all applicable visas and (c) *where the minor is under the age of eighteen (18), an original legally affirmed or notarised letter signed by at least one of the child's parents/legal guardians. Where such letter is required, the letter must authorise the travelling adult to take the minor/s on the specified cruise and must authorise the travelling adult to supervise the minor, sign applicable sports waivers and permit any medical treatment that must be administered to the minor which in the opinion of the treating doctor needs to be carried out without delay. A letter can be legally affirmed or notarised by a practising lawyer, notary or commissioner for oaths for a fee. If such evidence is not produced, the minor(s) concerned will not be permitted to board the ship or undertake the cruise. Azamara Club Cruises will not be responsible for any costs, expenses or losses suffered as a result either by the minor affected, the person(s) paying for their cruise (if not the minor him/herself), or any persons travelling with the minor who decide not to continue with the holiday as a result of the failure to produce a letter of authorisation as set out above.

Please note: that parent(s)/legal guardian travelling with a child who has a different surname to the parent(s)/legal guardian, will be required to produce official proof such as a full birth certificate/wedding certificate/divorce papers to prove that they are the parent(s)/legal guardian of the children concerned. Proof of legal guardianship is also required where there is a minor travelling with their legal guardian. Individual staterooms can be booked by married couples whose minimum age is sixteen (proof of marriage is required at time of booking). Individual staterooms may only be occupied solely by minors where such staterooms are adjacent (directly opposite or next door) to the stateroom of the parent or Legal Guardian of the minor. On board there are certain facilities where each entry is restricted by age. Persons using the Spa must be over the age of 18. Full details of onboard facilities with age restrictions are contained within the Daily Programme, which is available from the Guest Relations Desk.

The minimum age for infants to sail is six (6) months, as of the date of sailing and twelve (12) months, as of the date of sailing for Transatlantic, Transpacific, Hawaii, Australian, selected South American cruises and other selected cruises. For the purposes of this policy, any cruise that has 3 or more days consecutive at sea will require infants to be 12 months old on the first day of the cruise. The health and safety of our guests is our number one priority. As such, in consideration of the limitations of the shipboard medical facility, equipment and staff, the company cannot accept waivers, releases or requests for exceptions to this policy.

4.4 What about advanced or delayed sailings and changes in the itinerary?

We regret we cannot guarantee that ships will call at every advertised port or follow every part of the itinerary. Itineraries may change from time to time, both before and after your sailing departs. Azamara Club Cruises and the Master of the ship have the right to omit or substitute any port(s), call at any additional port(s), vary the order of call for ports, change the time of arrival at, departure from or time spent at any port of call, deviate from the advertised itinerary in any way or substitute another ship. Where possible, you will be advised of any significant changes to your confirmed itinerary - see clause 4.5. Changes to the last confirmed itinerary for your cruise may become necessary after you have departed for a variety of reasons such as prevailing weather and sea conditions, guest emergencies, providing assistance to other vessels and the ship being unable to operate at its normal speed(s) due to unexpected mechanical or technical problems. We will of course do our best to avoid any changes that will have a significant detrimental effect on your last confirmed itinerary. However, we cannot accept any liability in respect of any changes that result from circumstances outside our control (see clause 4.10) or which do not have a significant detrimental effect.

4.5 Can you change or cancel my holiday?

Occasionally, we have to make changes to and correct errors in the brochure and other details both before, and after, bookings have been confirmed and, even more rarely, cancel confirmed bookings. There may be a requirement to carry out maintenance/building works on your cruise. Where the works are likely to seriously impair your holiday, we will notify you as soon as possible.

Please note that as our ships are not U.S. flagged, in accordance with U.S. legislation, we are not permitted to fulfil bookings of two or more consecutive cruise itineraries whose first itinerary commences in one U.S. port and the

second itinerary concludes in a different U.S. port unless such itineraries includes a distant foreign port. If you wish to book two consecutive sailings that commence and conclude in different U.S. ports please contact our reservations department for further advice before making a booking. Where we identify that a booking has been made in violation of these requirements we must reserve the right to cancel any such booking(s) and refund to you the price paid. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, we will offer you the choice of the following options:-

- (a) (for significant changes) accepting the changed arrangements or
- (b) purchasing an alternative holiday from us, of a similar standard to that originally booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other available holidays. You must pay the applicable price of any such holiday. This will mean you paying more if it is more expensive or receiving a refund if it is cheaper.
- (c) cancelling or accepting the cancellation in which case you will receive a full and quick refund of all monies you have paid to us.

Please note, the above options are not available where any change made is a minor one. What is a significant change?

A significant change is a change to your confirmed holiday, which we can reasonably expect will have a significant effect on it. Examples of what we consider are significant and minor (defined below) changes are as follows: Significant change: A change from two days port of calls to two days sailing instead
Minor change: A change from one port of call to another; A change from one day's port of call to one days sailing; A change in timings for any port(s) of call but the ship still calls at all confirmed ports; A change in order of ports that are visited.

Very rarely, we may be forced by 'force majeure' (see clause 4.10) to change or terminate your holiday after departure but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we regret we will be unable to make any refunds (unless we obtain any refunds from our suppliers), pay you any compensation or meet any costs or expenses you incur as a result.

For EU resident consumers making bookings from 1st July 2018, in the event of unavoidable and extraordinary circumstances means that we cannot guarantee your timely return home from your cruise holiday, Azamara Club Cruises shall be responsible for necessary accommodation for a period not exceeding three nights per traveller. Such limits may vary with regard to persons with reduced mobility, pregnant travellers and those with specific medical needs whom have made us aware of their needs at least 48 hours prior to travel. Likewise, from the 1st July 2018, if unavoidable and extraordinary circumstances prevent us from completing the voyage, and we notify you of this without undue delay before the start of the package commences, we will have no liability to you save for a refund of the amount paid for the holiday within 14 days. We will not be deemed to have unduly delayed advising you of the cancellation (i) 20 days before the start of the package in the case of trips lasting more than six days, (ii) 7 days before the start of the package in the case of trips lasting between two and six days and (iii) 48 hours before the start of the package in the case of trips lasting less than two days.

4.6 Can you refuse to allow me to travel?

If in our reasonable opinion or the reasonable opinion of the ship's Master or doctor, you or any member of your party are or appear to be unfit to travel for any reason or a risk or danger to yourself or a danger to others (including by reason of pregnancy, entering their 24th week of pregnancy at any point of the cruise - see clause 2.6) or you or any member of your party behave in such a way as to cause or likely to cause danger, upset or distress to any third party or danger to property. In this situation we are entitled without prior notice to refuse to allow you and or any member of your party to travel on any ship and to terminate your cruise holiday at any time. You may then be left at any port or place at which the ship calls without our incurring any liability. You will have to pay any costs, expenses or losses suffered as a result, and we will not pay any compensation or give you any refund. Once your holiday has been terminated in this manner, we will not have any further responsibility towards you.

To ensure a healthy sailing, we may also request that guests who arrive at check in and are showing symptoms of gastrointestinal type illness or other illnesses that spread easily from person to person, may be asked following consultation with our medical staff to reschedule their cruise. The same right to refuse to allow you to travel or to use any services applies where you are or appear to be unfit to travel or otherwise behave badly as set out above during any other part of your holiday.

If you have failed to give proper notice of any assistance or needs you require in accordance with clause 4.2 we reserve the right to refuse to allow you to travel. Please also see clause 1.3.

On every Azamara Club Cruises ship, we are committed to providing every guest with a cruise holiday that is excellent. To further ensure that you and your fellow guests receive

exactly that, we have developed a set of Guest Behaviour Policies; this is available on board. IMPORTANT: A violation of Azamara Club Cruises Guest Behaviour Policies is cause for appropriate corrective action, including confiscation of improper materials or items ejection of the guest from the ship or refusal to allow you to travel on or termination of future cruise bookings. These policies are subject to change without notice and without liability to Azamara Club Cruises. Azamara Club Cruises is free to adopt additional rules not stated in these policies.

Please tell us about any special needs you may have so we can advise you of the suitability of the selected holiday. Please note that any sensitive personal information you provide to us will be treated in the strictest confidence. If we consider that, because of your special needs, your chosen holiday may be unsuitable, we will advise you as soon as possible after you have provided information to us about your special needs and assess any possible alternatives.

4.7 What is your liability towards guests?

(1) Subject to clause 4.8 below we promise to make sure that the holiday arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these booking conditions, we will accept responsibility if, for example, you suffer death or personal injury or your contracted holiday arrangements are not provided as promised or prove deficient as a result of the failure of ourselves, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted holiday arrangements. Please note it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

(2) We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
 - the act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unforeseeable or unavoidable or
 - 'force majeure' as defined in clause 4.10 below
- Notwithstanding the above, we do not seek to exclude liability for death or personal injury as a result of our negligence. Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses.

Please note, we cannot accept responsibility for any services, which do not form part of our contract. This includes, for example, any additional services or facilities, which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised in our brochure, and we have not agreed to arrange them. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you. For shore excursions, please refer to clause 3.5. Shore excursions do not form any part of your contract with us even where we suggest particular operators/centres and/or assist you in booking such activities in any way. Accordingly, we cannot accept any liability in relation to such activities.

The promises we make to you about the services we have agreed to provide or arrange as part of our contract - and the laws and regulations of the country in which your claim or complaint occurred - will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. The exception to this is where the claim or complaint concerns the absence of a safety feature, which might lead a reasonable holidaymaker to refuse to take the holiday in question.

4.8 What is your limit of liability towards guests?

Where applicable and to the fullest extent permitted by law, we shall rely on the financial limits specified in the Convention relating to the Carriage of Passengers and their Luggage by Sea 1974 as subsequently supplemented and/or varied by any applicable protocols or legislation from time to time in force including, but not limited to the application of Regulation (EC) No 392/2009 where relevant to applicable sailings (together 'The Athens Convention') in relation to your cruise as well as the process of getting on and/or off the ship. Where The Athens Convention applies, for any claim involving death or personal injury or delay of or loss of or damage to luggage the only liability we will have to you is in accordance with The Athens Convention. This means that where applicable, subject to such limits not being contrary to applicable law, you will not be entitled to make any claim against us which is not expressly permitted by The Athens Convention or which is in excess of the limits provided by The

Athens Convention. Any claims covered under The Athens Convention must be made within the time limits set out in The Athens Convention. The Athens Convention limits the maximum amount we as the carrier have to pay if found liable in the event of death or personal injury and for claims concerning luggage and valuables. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, rail or road carrier or any stay in a hotel, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is, except as otherwise expressly set out in the Booking Conditions, the most the carrier or hotel keeper concerned would have to pay under the International Convention or Regulation which applies to the travel arrangements or hotel stay in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air). Please note: Where a carrier or hotel would not be obliged to make any payment to you under the applicable International Convention or Regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question. Copies of the applicable International Conventions and Regulations are available from us on request.

4.9 What happens if I have a complaint?

In the unlikely event you have a reason to complain whilst away, you must immediately notify the Guest Relations Desk on board ship and the supplier of the service(s) in question (if not us). This is to ensure that we are given the opportunity to address and to attempt to resolve any issue you raise. Any verbal complaint must be put in writing and given to the supplier and us as soon as possible. If a problem cannot be resolved to your satisfaction and you wish to follow this up you must write to us on your return to the address below. You must give your booking reference number and full details of your complaint within 28 days of your return from holiday unless a different time limit applies to your claim - see clause 2.1, 2.3, 2.4 and 4.8. We will only accept complaints from the lead name of a booking. If your complaint is written on behalf of other members of your travelling party, their full names and booking reference numbers must be clearly stated in the correspondence together with their authority for you to handle the complaint on their behalf. If you fail to follow this simple complaints procedure, your right to claim the compensation you may otherwise have been entitled to may be affected or even lost as a result.

4.10 What about circumstances which are outside your control?

Except where we specifically say otherwise in these terms and conditions, we cannot accept any liability or pay any compensation where your holiday and/or any other services we have promised to arrange or provide cannot be provided at all, or as promised or you otherwise suffer any damage or loss as a result of circumstances which are outside our control ('force majeure'). When we talk about circumstances which are outside our control, we mean any event which we or the supplier of the service in question could not have predicted or avoided even after taking all reasonable care. Such events are likely to include war or threat of war, acts of terrorism or threats of such acts, riots or civil unrest, industrial action, natural or nuclear disaster, fire, adverse weather conditions, health risks, epidemics, mechanical difficulties (which we could not have anticipated or avoided despite our normal comprehensive mechanical checks) and all similar circumstances which are outside our control.

4.11 Brochure validity

You must ensure that you are using an up-to-date brochure when you book your holiday. We cannot accept any liability whatsoever for any mistakes and/or any incorrect/inaccurate information which results from the use of an out of date brochure.

4.12 What other conditions apply to my holiday?

Airlines, hotels, lodges, rental companies and our other suppliers have their own conditions, which will apply to your holiday, we strongly recommend that you refer to these. Some of these conditions may limit or exclude the airline's or other supplier's liability to you, often in accordance with International Conventions. Copies will be available from our suppliers.

4.13 Common Interest Groups

From time to time we may have various common interest groups onboard attending for example conventions, conferences, seminars, training courses, competitions, tournaments or speciality holidays such as cookery and dancing courses. These groups may take place on the dates when you are sailing with us. While we envisage that this will not affect the overall normal day-to-day operation of the ship, there may be occasions when certain facilities are unavailable to you whilst these groups are on board.

4.14 Price and brochure accuracy

Azamara Club Cruises' policies and procedures are constantly evolving. At the time of printing, all those listed in this brochure and pricing supplement were correct. Please note: The information and destinations shown in this brochure or pricing supplement may have changed by the time you come to book your holiday. Whilst every effort is

made to ensure the accuracy of the brochure at the time of printing, regrettably errors do occasionally occur. You must therefore ensure that you check all details of your chosen holiday with your travel agent, or with us direct, at the time of booking. We shall notify you and seek your consent prior to confirming your booking of any variation in any published booking terms, including changes to your deposit or cost of travel.
