#### WHERE LUXURY IS PERSONAL™

Luxury knows...

The world revolves around you. Be it the past you've longed to visit, learning new things in the old world, tracing the footprints of masters, an evening of stars and virtuosos whose sole purpose is to move you, or a fairytale love that begins in a castle, and then ends in happily-ever-after.

True luxury knows every shade of you. Every experience that brings you joy. Gliding through storied histories. Or inspiring your own. Tiptoeing through the tulips, or staring in wide-eyed wonder at marvels centuries old.

Luxury knows.

Anticipates.

Senses.

It defines you and what you want.

Whether it's truffle sauce, bearnaise sauce, or tomato sauce.

Chardonnay, Shirley Temples, or dining in private on a moonlit river, precisely as you wished.

True luxury knows the moments you will share on your voyage.

In eloquent silence that simply... sings.

Of extraordinary lives both loved and lived.

Crystal knows, even before you know.

Inspired by you.

Crystal.

Built to the highest standards of contemporary luxury and spaciousness, each of Crystal's four new all-suite ships are elegant sanctuaries of comfort, boasting the largest standard accommodations — all with balcony and many with walk-in closets and doublevanity bathrooms — in European river cruising, all located above the waterline. Enjoy the expansive Palm Court lounge capped by a ceiling of glass, and the latest, cutting-edge technologies.

### the GREAT RIVERS of EUROPE

The rivers of Europe run like arteries through the heart of European culture, vital thoroughfares that once defined borders and transported precious cargo of spices and salt, gold and silver, and other treasured commodities. These are the waterways that connect people and their cultures, and are celebrated in some of Western Civilization's greatest music, literature and art.

The mighty Danube flows south through four national capitals: Vienna, Bratislava, Budapest and Belgrade. The Rhine courses north and west to the North Sea, while its gentle tributaries — the Main and Moselle — are bucolic avenues flowing through some of Germany's most enchanting regions.

The ships of Crystal ply these rivers with incomparable excellence, sailing through thousands of years of history to reveal iconic cities and charming towns, picturesque valleys and magnificent vineyards, and dozens of UNESCO World Heritage Sites.

# UNIQUELY RIVER

#### ALL YOU NEED TO KNOW ABOUT RIVER CRUISING

First time river cruisers are often surprised — and delighted — by the unique experience that is a European river cruise, and by all the ways in which river cruising is so entirely different than traditional ocean cruising. While the all-inclusive luxury and genuine hospitality for which Crystal is known remains the same across all of our Experiences — Ocean, River, Yacht and Expedition — a Crystal river voyage, by its very nature, brings travelers intimately close to the rare riverscapes and landscapes of the Rhine Main, Danube and Moselle rivers: so close you can almost reach out and touch the trees, castles and charming city centers passing by right outside your window.

#### **DOCKS AND GANGWAYS**

After journeying through some of Europe's most scenic interior waterways your Crystal River ship will arrive at docks that are typically located in the heart of the city or town. As such, the docks are open and uncovered, yet conveniently close to restaurants, shopping and public transportation.

Depending on water levels, the gangway may be positioned at a much greater angle than on an ocean ship, which adds to the adventurous nature of a river cruise itself.

#### ITINERARY CHANGES

Unpredictable weather events, river currents and lock traffic can sometimes necessitate a change in the timing or order of the ports of a published itinerary. Thankfully we have numerous contingency plans prepared so that you're always cruising and enjoying your river cruise vacation as much as possible.

#### LOCKS

One of the most fascinating parts of a European river cruise is the transiting of locks along certain stretches of the rivers. In order to move from one level of the river to the next, river ships transit one or more locks. This process often involves the ships queuing up to be guided into and secured within the lock, and then either raised or lowered as river water floods or partially drains out of the enclosure. The busy atmosphere of a lock transit is often livelier than most guests expect and creates some great photo moments of your journey.

#### "RAFTING"

Rafting is another unique aspect, and age-old practice, of river cruising where multiple ships "park" alongside one another. In order to reach land, guests must walk across — or through — other ships. The rafting of ships positions them so closely together you might even be able to reach out a window and literally touch the ship alongside your own.

#### ENTERTAINMENT

The relaxed and friendly environment of a Crystal river ship — which is smaller than one of our ocean vessels - provides the perfect setting for intimate musical performances. We regularly host trios, jazz artists and instrumentalists in Palm Court, the social hub of each ship. Local talent often comes aboard to entertain with regional favorites and engaging, cabaret-like performances.

#### **ACCESSIBILITY**

Dedicated to providing a comfortable and safe environment for all of our guests, Crystal River Cruises makes every effort to accommodate the needs of persons with disabilities. Guests with reduced mobility often have difficulty with narrow gangways, uneven surfaces, and limited port access. Please read more on page 102.

## EUROPE'S GREATEST RIVER

Discover Hapsburgian splendor, stunning river valleys, and dollops of Mozart and Strauss as you cruise down the Danube, Central Europe's main thoroughfare since Romans camped in nearby hills. Here in the cultural heart of the Old World, you can explore the great cities of Budapest, Bratislava and Vienna. Come sip Austria's famous Wachau Valley wines and gaze rhapsodic over the storybook charm of Český Krumlov. Gaze amazed at a treasury of architectural masterpieces city by city, village by village, castle by fairytale castle.

## NUNESCO SITES & SPECIAL HIGHLIGHTS

- Witness the marvel of Budapest, its banks along the Danube, Buda Castle Quarter, Gellért Baths, Pest Riverbank, Andrássy Avenue and Heroes' Square
- Journey to Salzburg from Linz, and to Munich from Passau, the Gemütlichkeit city of culture and beer
- Explore Vienna's Historic Centre, as well as the Schönbrunn Palace and Gardens
- Marvel at the picturesque beauty of the Wachau Cultural Landscape
- Meander the charming streets of Regensburg's Old Town
- Travel overland to Český Krumlov from Linz
- Melk's Benedictine Abbey is the most visited UNESCO site on the Danube

#### AUSTRIA'S WACHAU VALLEY

One of the most beautiful stretches of the Danube lies between Melk and Krems, just outside of Vienna. Although the Wachau Valley is at most 24 miles long, it's amazing what has been packed into the space: small storybook villages, crumbling castles, abbeys and monasteries rife with stories of marauding invaders and robber barons. The region's great Grűner Veltliners grow on the hillsides, while Melk Abbey, with its world-famous library, dominates the town's horizon, one of the largest and most beautiful Baroque ensembles in Europe.

#### LINZ, PASSAU & THE SCHLÖGEN LOOP

A UNESCO City of Media Arts, Linz has taken its place alongside such forward-looking cities as Lyon, Sapporo and Austin. At the other end of a giant bend called the Schlögen Loop, the vibrant university town of Passau sits at the confluence of the Danube, Inn and Ilz rivers and is known as "The City of Three Rivers." It is one of Bavaria's oldest and most beautiful cities, a Baroque masterpiece with a 13th-century fortress/castle, and the gorgeous St. Steven's Cathedral which houses the largest cathedral organ in the world.

#### THE UPPER RHINE

Beginning as a stream high in the Alps, the Rhine widens in Basel and runs through Western Germany to the North Sea. Gorgeous landscapes, exquisite cuisine and fine wines highlight the Upper Rhine Valley, an enchanting region — especially for connoisseurs. The river skirts the Black Forest and divides fairytale Strasbourg in Alsace with Kehl in Baden-Württemberg, each city a showcase of halftimbered architecture. You can visit Heidelberg from Mannheim, or explore its sumptuous Baroque palace, one of the largest in Europe.

#### THE MIDDLE RHINE AND GORGEOUS GORGE

From Rüdesheim to Koblenz, in the steep and narrow Upper Middle Rhine Valley, the river carves a narrow, slate canyon with sheer walls rising almost 700 feet. At its narrowest, the Rhine swirls around the treacherous Lorelei Rock, where the singing mermaid Lorelei drew captains and crews to their death. This UNESCO site is considered the most scenic part of the Rhine River, an enchanted land of myths and legends with 40 castles perched on steep pinnacles and storybook villages on either side.

## THE ENCHANTING MOSELLE

With forested mountains, lush vineyards and charming villages, this is river cruising at its most idyllic. So narrow is the Moselle - and so close to the dreamy shoreline will you cruise — you can hear the breeze rustling the trees and be tempted to reach for the Riesling and Gewürztraminer grape-laden vines from your Panoramic Balconywindow. See the Spitzhaüschen (pointed house) in Bernkastel, explore the 12th-century Eltz Castle in Trier on an overnight in Germany's oldest city and stroll Cochem's scenic riverside promenade.

## AN EPIC trans-continental **JOURNEY**

Charlemagne dreamed of a waterway linking the Rhine with the Danube via its tributary, the Main, to join one side of Europe with the other. But it took over a thousand years for Europe's two greatest rivers to be connected. In 1992 the Rhine-Main-Danube Canal — a.k.a. the RMD or Europa Canal — opened, passing through 5 countries and 68 locks, to provide a single 2,200-mile artery between the North and Black seas... and travelers with the voyage of a lifetime.

- Marvel at the Palace and Gardens of Schönbrunn and the Historic Center of Vienna, Austria's capital and "City of Music"
- Discover the Wachau Cultural Landscape, a valley between Melk and Krems, Austria, renowned for a remarkable medieval landscape of well-preserved monasteries, castles and ruins
- · Wander the streets of Bamberg, one of Europe's largest intact Old Towns
- Tour the Würzburg Residence and Roman Monuments
- Explore Regensburg's UNESCO-listed Old Town, where its elaborate cathedral and quintessential clock crown an estimated 1,400 ancient buildings

#### THE RHINE

Mysterious forests, alpine peaks, medieval villages, idyllic valleys and vineyards, and castles too picture-perfect to be real — the Rhine is as much a legend as it is a river. Unforgettable sights include Cologne's glorious, twin-spired cathedral, and flower-filled Koblenz in the Rhineland, one of Germany's oldest and most beautiful towns. From the astonishing art collections in Amsterdam's museums to the mythical Upper Middle Rhine Gorge, the Rhine winds through some of Europe's most gorgeous landscapes.

#### THE MAIN

A trip through beautiful Bavaria along the lesser-traveled but equally fascinating Main River is also a "must do." Magnificent sights include the Residenz in Würzburg, a Baroque showplace, and Miltenberg with its magnificent half-timbered buildings. Explore Medieval Bamberg, wonderfully preserved; a lovely old church crowns each of its seven hills. And in the Main/Danube canal, Nuremberg was rebuilt and restored after WWII into a classically stunning Medieval town.

#### THE DANUBE

Mile after historic mile, the Danube flows like a gateway into the past, from the crumbling ruins of Roman fortresses through Romanesque, Gothic and Baroque monuments and onward to the resplendent architecture of the Habsburgs. To cruise this watercourse is to relive thousands of years of cultural and architectural achievement in the Western World. Witness a treasury of unforgettable sights, savor some of the world's best Rieslings, ales and lagers, and lose yourself in the storybook wonders of this 1,770-mile river.

#### COLOGNE

Of all the Christmas markets in Cologne — and there are many the one hosted in front of Cologne Cathedral is undoubtedly the best known. Beneath the gothic twin spires of the city's UNESCO-designated medieval landmark, more than 150 red-roofed stalls offer traditional holiday trinkets, crafts, food and drink, and musical performances are staged beneath a canopy of fairy lights. The Angels' Market in Neumarkt square is also popular, as is the market hosted by the city's Old Town — aka the Home of the Heinzelmännchen (little creatures of Cologne legend).

## **STRASBOURG**

Miles of fairy lights, 300 wooden stalls, a great Christmas tree, caroling choirs, Nativity plays, an ice rink and mulled wine served in boot shaped mugs... be captivated by the wonder of the Capital of Christmas. Dating back to 1570. Strasbourg's Christmas market is the oldest in France. Be sure to wander over to Petite France to see the adorable half-timber houses decorated for the season. Many Christmas market aficionados claim that Strasbourg's is the best in Europe, and purely for its size, elaborate decorations and yuletide cheer, you may well agree

#### VIENNA

The Viennese have been perfecting the art of Christmas markets since 1298, and today it's one of the best in Europe. Throughout the Advent period, the city of Haydn and Mozart is a city of nostalgia and romance, concerts, nativity displays and traditional Christmas markets in almost every square — each with a flair all its own. In front of the City Hall, the popular "Vienna Magic of Advent" turns the square into a shining fairytale land, and choirs from around the world perform Christmas music in the Rathaus as part of the Internationales Adventsingen festival.

Dating back centuries throughout the German-speaking countries of Europe, the medieval tradition of gathering in town squares to celebrate the season is having a renaissance moment of sorts with Christmas Markets increasingly finding their way to the top of many a world traveler's bucket list. The forerunner of this annual holiday event was first recorded in Vienna in 1298, when citizens were granted permission to hold a "December Market" during Advent. It wasn't until 1384 that the first Christkindlmarkt as we now know it was held in Bautzen, Germany followed by Dresden's Striezelmarkt in 1434.

Today, from Budapest to Cologne (indeed, all around the world!), cities and villages along Europe's majestic rivers are aglow with twinkling lights and fairytale scenes of snow-dusted rooftops and wooden stalls brimming with handcrafted gifts and ornaments, freshly baked gingerbread, the scent of mulled wine and more. Typically hosted during the four weeks of Advent, many begin the Friday before Advent (four Sundays before Christmas Eve) and end on December 24, as Christmas Eve is spent at home. It is an enchanting experience sure to linger with a childlike wonder in all who experience it.

## BEFORE YOU SAIL

EVERYTHING YOU NEED TO KNOW IN ADVANCE OF YOUR TRAVELS, SHARED HERE FOR EASE OF REFERENCE AND PROPER PLANNING. PLEASE CONSULT YOUR TRAVEL ADVISOR OR CRYSTALRIVERCRUISES.COM

#### **ACCESSIBILITY**

Crystal River Cruises is dedicated to providing a comfortable experience for all our guests. We make every effort to accommodate the needs of persons with disabilities. Crystal River Cruises does not discriminate against any person on the basis of disability.

There are no facilities for disabled guests; this includes: no handicapped/wheelchair accessible rooms, no elevator access to all decks, nor any access or assistance provided to disabled guests on embarkation or debarkation. Wheelchairs and scooters can not be accommodated in the elevators.

#### Going Ashore

For many reasons, embarkation and disembarkation present difficulties for guests with reduced mobility. Gangways are quite narrow, with uneven surfaces, and are often at steep angles. To gain landside access there is frequently a need to cross other river ships, which requires ascending and descending stairs as well as walking over uneven surfaces and gangways at steep angles.

Guests with disabilities/limited mobility should also note that not all ports are wheelchair/scooter accessible. Port access varies greatly around the world, and in most instances, the river ports are not wheelchair accessible. Guests should be aware that some shore excursions include rough terrain, extensive walking over cobblestone streets, uneven pavement, and steps and locations that may not be easily accessible or accessible at all by wheelchair or scooter. For the reasons listed above river cruising is not recommended to guests who require a wheelchair or scooter for mobility

Crystal River Cruises reserves the right, without liability, to refuse to board or transport guests whose medical condition, limited mobility or disability is not compatible with security rules and requirements specific to the navigation area, or who, in Crystal River Cruises' opinion, are unfit for travel on the river ship.

In the unlikely event of an emergency, all guests must be fully mobile and able to exit the river ship safely. If guests are unable to meet the minimum safety requirements, even when provided with appropriate auxiliary aids and/or services, Crystal River Cruises may find it necessary to ask these guests to make alternative travel arrangements.

## AIR TRANSPORTATION

If you have not booked your flights with Crystal, please notify Crystal of your air details either by phone or on PCPC (Priority Check-in & Planning Center) to ensure you are on our river ship manifests.

When making your own air arrangements, we recommend allowing a minimum of five hours between your flight arrival time and the river ship's sailing time. Specific port and pier information and embarkation times are stated on your cruise ticket. Port authorities sometimes change the location of the pier or berth number, so be sure that you actually see your river ship when you arrive at the port/pier.

You must be on board the river ship at least two hours prior to sailing. If the river ship is scheduled to remain in port overnight or has a scheduled departure time after 9:00 pm, please plan to be at the pier no later than 7:00 pm for security clearance and check-in.

When planning your return flights, please take into consideration the date and time the river ship docks at the final port. Disembarkation starts at 6:00am as we offer transfers to the airport. Also, guests must vacate their suite and disembark the vessel by 10am. For guests with

later flight times please ask about our hospitality services. Times may vary if the river ship is in port the night prior to disembarkation. Before booking your departing flights, please also take into account the time needed at the airport for airline check-in and security procedures. Some cities require a longer transfer time due to stringent customs procedures or travel time to the airport. If you are making independent reservations to fly home directly after the cruise, your travel agent should contact Crystal's Reservations for flight departure guidelines, which vary by each itinerary's port.

Guests should contact the airlines directly to add frequent flyer numbers for mileage accrual, secure seat assignments, arrange for special service requirements, and provide a personal phone contact for last-minute flight updates. Details regarding checked and carry-on luggage allowances (restrictions, size, weight and quantity) and applicable fees, miscellaneous service airline fees or other flight-related inquiries should be discussed directly with the airlines or through your travel agent.

Flight schedules sometimes change. We strongly suggest that you reconfirm all flight numbers, flight times, check-in times, departure terminals and locations, and seat assignments for both outbound and return flights 96 hours prior to departure.

#### **BOARDING & DEPARTING THE RIVER SHIP**

At most embarkation ports, the river ship is usually available for guests boarding after 12:00 noon. Suites are available for guest occupancy by 3:00 pm.

The exact embarkation and sailing times are specified on your cruise ticket. In order to embark, all guests must carry a passport that is valid for six months after the end of the cruise, and with at least four blank pages available for visas (as applicable) per advertised voyage number. On embarkation day, you must be on the river ship at least two hours prior to scheduled sailing. If the river ship is scheduled to remain in port overnight or has a scheduled departure time after 9:00pm, please plan to be at the pier no later than 7:00pm for security clearance and check-in.

On succeeding cruise days (cruise day two through the last cruise day or night prior to disembarkation), all guests must be on board the river ship no later than 30 minutes prior to scheduled port departure.

On the final day of the cruise guests are kindly asked to debark the vessel no later than 9 am.

Guest hereby agrees that losses sustained by Crystal in the event of Guest's cancellation would be very difficult or impossible to quantify, and that the fees set forth in the below cancellation or category downgrade charts represent a fair and reasonable assessment as liquidated damages. Crystal Cruises recommends these Guests be accompanied by someone who is able to assist them both ashore and at sea. Guests acknowledge and understand that certain international, foreign or local safety requirements, standards, and/or applicable regulations involving design, construction or operation of the vessel, docks, gangways, anchorages or other facilities on or off the vessel may restrict access to facilities or activities for persons with mobility, communication or other impairments or special needs. Due to the nature of river cruising, vessel traffic, and Decisions of foreign port and harbor operators, disembarking at some ports may require the Ship to be tied alongside another vessel, which may in turn require Guests to ascend and descend stairs on the vessels and traverse gangways of varying widths and lengths between the vessels before reaching the gangway to shore. This type of disembarkation arrangement is outside the control of Crystal Cruises, is without advance notice to Crystal Cruises until shortly before arrival at the port, and may preclude Guests with mobility limitations from going ashore. Some ports of call are anchorage ports, and physical conditions may preclude these Guests from going ashore. This Decision must be made by the Captain of the Ship based on safety and is binding. Upon request, Crystal Cruises will provide Guests additional information about accessibility and limitations of scheduled ports of call on a specific itinerary. For all inquiries please call 866-446-6625. Guests requiring a wheelchair or scooter must bring their own. Motorized scooters must not exceed 22" in width. Crystal Cruises reserves the right to limit the number of scooters on board. Portable oxygen tanks and oxygen concentrators may be used on board, provided that Crystal Cruises' Onboard Guest Services is notified at least 30 days prior to sailing. Crystal Cruises understands a service animal to be any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Animals that are not trained to do work or perform tasks are not considered to be service animals. Emotional support animals, which provide emotional support, well-being, comfort, or companionship to an individual with disabilities but are not trained to do work or perform tasks, are not considered to be service animals. Pets and other animals who are not service animals are not allowed on board the Ship. The Guest agrees to accept full responsibility for any service animal, including but not limited to food, care and appropriate paperwork for the animal, and to defend, indemnify and hold harmless Crystal against any injury, loss, damage or expense whatsoever related to the presence of any service animal aboard the Ship.
- D) The Guest hereby consents to a reasonable search being made of the Guest's person, baggage or other property, and to the removal and confiscation or destruction of any object which may, in the opinion of Crystal Cruises impair the safety of the Ship, crew, or other Guests or be illegal or inconvenience other Guests.
- E) Guest understands and agrees that Guests must be at least 18 years old to be served wine and beer, and at least 21 years old to be served spirits. If smoke is detected in a stateroom or suite, a cleaning fee of \$250 per occurrence will be billed to Guest's account. Fines will be charged for violations in accordance with this policy. If there is ongoing violation of the non-smoking policy, more stringent consequences, including disembarkation without refund, may be ordered by the Captain.
- G) The Guest shall be liable to and shall reimburse Crystal for all damages or loss of or to the Ship and its furnishings and any equipment or property of Crystal or any other Guest caused directly or indirectly, in whole or in part, by any act or omission of the Guest or those for whom the Guest is responsible, whether willful or negligent, including but not limited to, theft or any other criminal act. The Guest shall further indemnify Crystal and each and all of their agents or servants against all liability whatsoever arising from any personal injury, death or damage or loss whatsoever caused directly or indirectly, in whole or in part, by any willful or negligent act or omission on the part of the Guest or those for whom the Guest is responsible.
- H) The Guest agrees that he or she shall not solicit for commercial purposes Guests or others on board the Ship, or advertise goods or services on board the Ship without the prior written permission of Crystal Cruises. The Captain of the Ship has the right in his sole discretion to make Decisions in this regard for the safety and security of those on board.
- C) Crystal Cruises reserves the right to request a letter from Guest's physician attesting to Guest's fitness to travel, but by requesting such letter does not waive its right to disembark or refuse to embark Guest as set forth herein. If Guest is required to remain on board the Ship or elsewhere, due to injury, illness, or disability, or due to action of any government or authority, or for any other reason not the fault of Crystal Cruises, Guest must pay or reimburse Crystal Cruises for all resulting costs and expenses including for food, transportation, accommodation, medical and/or repatriation services including but not limited to such costs incurred by or on account of services provided by port agent and other shoreside service providers, including luggage shipping costs for Guest and those accompanying
- D) If the Guest is refused passage or leaves the Ship prior to the end of the cruise for any of the reasons described in this section or for other reasons including, but not limited to, personal, medical, or business reasons, Crystal Cruises will not be liable or required to refund any portion of the Ticket price, or to be responsible for any payment, compensation or credit of any kind or for any of the Guest's costs.
