WHY AZAMARA

WE BELIEVE IN CONNECTING PEOPLE WITH PEOPLE, PEOPLE WITH CULTURES AND PEOPLE WITH THEMSELVES. BY BRINGING YOU CLOSER TO NEW EXPERIENCES THAT HELP SHAPE WHO YOU ARE AND GIVE YOU A FRESH PERSPECTIVE OF LIFE.

We do this through our Destination Immersion® experiences, the philosophy behind every Azamara® voyage. We have carefully curated immersive itineraries, featuring longer stays, more overnights, and unique night touring, allowing you to travel deeper and absorb more of the history, arts, cuisine, and local customs that make each place unique.

Sometimes, visiting a few ports within a country is not enough. That's why we have pioneered the concept of Country-Intensive™ Voyages — itineraries that include the most iconic destinations as well as hidden gems, all within a single country.

Take your exploration to new heights and experience even more of the world's boldest wonders than ever before with the largest selection of pre- and post-voyage programs in the cruise industry.* Our enhanced portfolio of multiday land programs spans more than 40 countries, connecting you to meaningful experiences with people, cultures, and remote locales across the globe. Find a selection of programs available aboard every sailing, each led by an award-winning, independent travel expert.

To further immerse you in local experiences, we offer everyone complimentary AzAmazing Evenings®. Often hosted in beautiful historic venues, these exclusive events offer a unique look into the culture and heritage of a destination.

Our global guests come to us for the destinations we visit and the way we bring each port to life, but they return to Azamara for the unforgettable hospitality on board — from the international crew members who smile with genuine warmth, to the host of inclusive amenities, such as beverages, concierge services, self-service laundry, gratuities and more.

Our three sister ships are boutique hotels at sea that can accommodate approximately 700 guests. They are perfectly sized to cross oceans, sail into intimate rivers, cruise along scenic waterways, and dock at prime locations.

Azamara welcomes you to uncover all seven continents and discover a world within the world.

Destination Immersion® Experiences

A DESTINATION ISN'T SOLELY DEFINED BY ITS ICONIC SIGHTS.
IT'S GIVEN LIFE BY THE PEOPLE WHO CALL IT HOME, THE CULTURES THAT BRING IT VIBRANCY,
AND THE TREASURED SIGHTS THAT FEW HAVE VISITED.

With our Destination Immersion® experience, we take explorers far beyond the landmarks to reveal the heart and soul of a destination.

That's why we're committed to connecting you with meaningful moments of discovery through a variety of immersive experiences. Our portfolio of pre- and post-voyage land programs, Overnight Experiences, experiential shore excursions, sailings to remote ports of call, and Country-Intensive™ Voyages all invite you

to see the world through the lens of a local.

When the sun sets, the exploration has only just begun. With **late night and overnight stays** accounting for nearly half of our time in port, we stay later than 8:00 p.m. more often than any other cruise line — giving you the opportunity to discover the night-and-day difference of how destinations brighten when the day dims.

Take your adventure to a whole new level with our **AzAmazing Evenings®**.

These intimate, tailor-made nighttime events are complimentary and exclusively available for Azamara® guests on most voyages seven nights or longer. Each distinct event invites all guests on board to enjoy a night of immersion on shore, celebrating the authentic culture of a destination.

Every step of your immersive experience opens the door to deeper connections between you, a place, and its people.

Distinct Voyages FOR Refined Explorers

COUNTRY-INTENSIVESM VOYAGES

Reach the entirety of a single country within one seamless voyage. Azamara® has pioneered the concept of Country-IntensiveSM Voyages — unique sailings that dock at a country's marquee and hidden gem ports, revealing the best of a destination. Join us on board and unpack just once as you dive into your country of choice without worrying about transportation or hotel transfers. Our Country-Intensive Voyages include sailings to South Africa, Greece, Norway, New Zealand, Japan, Israel, and Iceland, just to name a few.

WORLD EVENTS

world. Feel the thrill of the legendary Grand Prix race in Monte Carlo, watch elite athletes hit the links at The British Open, ring in the new year surrounded by the otherworldly beauty of Cape Town, and so much more.

GRAND VOYAGES

It's always hard to disembark after an immersive voyage aboard your boutique hotel at sea, but with our Grand Voyages, you can extend your Destination Immersion® experience even longer. Ranging from 38 to 66 nights, our 2021 Grand Voyages consist of two or more individual voyages

back to back, including a variety of curated Overnight Experiences in between, connecting you to infinite world wonders across the seven seas and deep inland. Earn onboard credit for each leg of your Grand Voyage, available for use on specialty dining, shore excursions, and more. Plus, you'll receive free Wi-Fi for your entire sailing, keeping you connected and ready to share your experiences with everyone back home.

Chobe National Park, Botswana

A large African elephant stands at the edge of a calm watering hole in Chobe National Park, Botswana. The elephant's body and the surrounding landscape, including several acacia trees, are perfectly reflected in the still water. The sky is a clear, pale blue, suggesting a peaceful time of day like dawn or dusk.

Ho Chi Minh City, Vietnam

A person in a black robe with an orange sash is shown in profile, holding a bundle of incense sticks. They are standing in a traditional setting with a stone pillar and a brick wall in the background. The scene is dimly lit, with a soft light source from the left. The text "AZAMARA PURSUIT SM" is overlaid in the center of the image.

Guest Testimonials

NO DETAIL IS LEFT UNNOTICED ON AN AZAMARA® VOYAGE, BUT DON'T JUST TAKE OUR WORD FOR IT — HERE IS WHAT SOME OF OUR GUESTS HAD TO SAY.

"I've done many cruises, including a river cruise. Azamara definitely ranks #1!!! They sail across oceans and rivers alike, because the ships are much more intimately sized than other cruise lines. I loved the fact that you didn't have to fight to get a lounge by the pool, no pushing at the buffet, no pressure to participate in activities, but they were available for me. The food was the best, the free alcohol was wonderful. The cabins were nice, comfortable beds. Our room stewards were great, very friendly. We really enjoyed our wait staff, always smiling!!! I liked the smaller crowd."

"The quality of the accommodations both in the cabins and public rooms is superb. The service from all the staff was outstanding. Everyone was very kind and helpful, and we never had to wait for any kind of service. As well as efficient, everyone was both friendly and professional."

— MIKE S. — LUTTERWORTH, ENGLAND

"We absolutely feel like part of the Azamara family! This cruise was our 13th with Azamara, so that should say without a doubt that we love the company, staff, and crew and the places we sail."

— RAYMA JEAN H. — LITTLE ROCK, ARKANSAS

Thailand

"I've cruised with other lines and Azamara does it best — the small details like the AzAmazing Evenings make all the difference! I love how the whole ship was invited on shore for this big night of cultural immersion. And the best part of all is that it was completely free! I've never sailed with another cruise line before that includes such a cool experience like that at no extra cost."

— JENNY P. — MELBOURNE, AUSTRALIA

"Azamara has always given us a memorable and unforgettable cruising experience. Staff are very attentive. We enjoy the all-inclusive nature of Azamara as we do not need to worry about mounting up extras which can add up to a large bill at the end of a cruise. This makes cruising with Azamara relaxed and stress free."

— LEILA D. — EDINBURGH, SCOTLAND

"The entire Azamara cruise experience was wonderful. The accommodations, service, food, and attention to detail were exceptional. The White Night was fantastic. Kudos to our room attendants, the many dining room attendants, customer relations, concierge, Cruise Entertainment Director, Excursion Director, and the Captain of the Pursuit. What a fantastic team! We truly appreciate the way everyone came together to treat us like royalty. Thank you all! This was our first Azamara cruise, but not our last! We already booked our next Azamara cruise to the Baltics on the Quest."

World Wildlife at Sea

Over the course of 20 years, what began as a company-wide recycling initiative in 1992 has grown into a dedicated environmental conservation program. Save the Waves® is our unofficial philosophy for environmental stewardship with goals like emissions reduction and wastewater treatment.

In 2015, we took steps to formalize this mission across all operations — from our new office buildings to charity efforts. Extending well beyond shipboard operations and our employee workforce, Save the Waves collaborates with educational institutions and non-profit organizations like World Wildlife Fund (WWF) to strengthen our environmental policies and to protect the world's resources, so our oceans and marine life remain vibrant and healthy for years to come.

At Azamara®, we are not only explorers of the world. We have a responsibility to be its protectors. Our oceans are under threat, as populations of some marine mammals, birds, reptiles, and fish have declined by half. That's why Azamara, our parent company, Royal Caribbean Cruises Ltd., and WWF, are working together to safeguard healthy oceans, marine life and marine livelihoods.

As you set sail, keep an eye out for our World Wildlife at Sea program that features diverse ways to learn about and actively participate in marine conservation, from a World Wildlife Fund Speaker Series to special tours with WWF expert speakers, and even a Crew Ambassador Program for guests to participate in while on their voyage.

Charges or fees imposed by your travel professional will not be included in a refund from Azamara.

REQUIRED DOCUMENTS & SHIP BOARDING PROCEDURES

THE IMPORTANCE OF PROPER DOCUMENTS

Getting your documents and proof of vaccinations in order is an important task that will make it much easier for you to embark, disembark, and move through customs, no matter where your voyage takes you. Guests without appropriate documentation are subject to fines, and may be prevented from boarding airlines or ships, or from disembarking in certain ports. Azamara® requires guests to be personally responsible for bringing aboard all required documents, including passports, visas, and proof of vaccinations. Azamara cannot be held responsible for fines, costs, penalties, or interrupted or terminated trips due to a lack of proper documentation, nor can we offer refunds to guests who fail to comply with documentation requirements. Additional resources include travel professionals, government agencies, embassies, consulates, your physician, local health departments, the Centers for Disease Control and Prevention (WWW.CDC.GOV), and the Department of State General Visa Information (phone: 1-800-232-4636).

TICKETING DOCUMENTS

Before you embark on your voyage, you'll receive your personal pre-voyage documents between 20 and 50 days prior to sailing. These documents generally are issued electronically (e-docs), either through your travel professional or directly to you if you booked through Azamara®. If you book your trip seven days or less before sailing, your documents may be held at the pier, where you can pick them up prior to boarding.

Your documents confirm receipt of payment, your ticket contract, and your name as it will appear on the ship's manifest. They also contain your voyage tickets and confirmation of air arrangements (if you made them through Azamara). Tickets for voyage and air travel are valid only for the person named in the documents. Your booking name should match your name as stated in your passport. Please review your documents carefully. If you have booked consecutive sailings, make sure you have travel documents for all elements of your trip. Protect your documents in a safe place — reproduction and shipping costs will be charged if documents must be reissued.

GUEST EMBARKATION FORMS

We need certain information before you can board the ship. To make your boarding process as simple as possible, we encourage online check-in. If you do not complete this information online, your embarkation forms will be included with your voyage documents. Please complete these forms before arriving at the pier, and be sure to bring them with you.

PASSPORT REQUIREMENTS

All guests on board all Azamara Journey®, Azamara Quest®, and Azamara Pursuit™ voyages are required to carry a passport. We recommend that the passport's expiration date is no earlier than six months beyond the end of the voyage. Non-U.S. citizens who permanently reside in the United States are required to carry their Permanent Resident Card (informally known as a Green Card). The name on your cruise line or airline reservation must match the name on your passport and Permanent Resident Card.

Guests who do not possess the proper documentation may be prevented from boarding their flight and/or ship, or from entering a country, and also may be subject to fines.

For additional passport requirements and information on obtaining or renewing a passport, U.S. travelers should visit the State Department's website at WWW.TRAVEL.STATE.GOV/PASSPORT. Guests from outside the United States should contact their country's passport-issuing agency.

VISA

Please contact the Embassy (Consular Services) of each country on your voyage or the visa service of your choice for specific visa requirements, information, forms, and fees based on your nationality.

VISA WAIVER PROGRAM

The U.S. Department of Homeland Security (DHS) has instituted a mandatory Electronic Security for Travel Authorization (ESTA) program. This is a pre-travel authorization program that applies to all U.S.-bound travelers from Visa Waiver Program (VWP) countries. A list of VWP countries can be found below. Regardless of age, all travelers from these countries under the VWP must complete an online application (similar to the I-94W) and obtain an ESTA approval before boarding a carrier by air or sea to the United States. For additional information, go to the ESTA website at [HTTPS://ESTA.CBP.DHS.GOV/ESTA/](https://esta.cbp.dhs.gov/esta/). A third party, such as a relative or travel professional, may submit an ESTA application on behalf of a VWP traveler. The DHS recommends obtaining ESTA approval as soon as a VWP traveler begins to plan a trip to the United States, and definitely no later than 72 hours before departure. If information provided online changes after receiving an approval, it is easy to update the online application. In many cases, ESTA will determine almost immediately if an individual is eligible for VWP travel. Possible ESTA website responses include Authorization Approved, Travel Not Approved, or Authorization Pending. If an ESTA applicant is denied authorization to travel to the United States under VWP, he or she will be referred to the U.S. Department of State website for information on how to apply for a visa instead. Applicants who receive an Authorization Pending response will need to check the website for updates within 72 hours to receive a final response.

AN APPROVED ESTA TRAVEL AUTHORIZATION IS:

- Valid for up to two years, or until the traveler's passport book expires, whichever comes first.
- Valid for multiple entries into the U.S. for business or pleasure.
- Not a guarantee of admissibility to the United States at a port of entry. ESTA approval only authorizes a traveler to board a carrier for travel to the United States under the VWP. In all cases, U.S. Customs and Border Protection (CBP) officers make admissibility determinations at U.S. ports of entry. Guests who have applied electronically are required to present their ESTA authorization approval receipt in order to board the vessel on applicable voyages.

For additional information, please visit "Know Before You Go" section of the travel link at WWW.CBP.GOV.

COUNTRIES PARTICIPATING IN THE VISA WAIVER PROGRAM

Andorra, Australia, Austria, Belgium, Brunei, Czech Republic, Denmark, Estonia, Finland, France, Germany, Hungary, Iceland, Ireland, Italy, Japan, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Monaco, The Netherlands, New Zealand, Norway, Portugal, San Marino, Singapore, Slovakia, Slovenia, South Korea, Spain, Sweden, Switzerland, and the United Kingdom.

VWP AND PASSPORTS

Travelers from VWP countries who wish to enter the United States are also required to have a passport in their possession. For passport requirements for VWP applicants, please visit "Pre-travel Authorization Program for U.S.-Bound Travelers from Visa Waiver Countries" at the WWW.CBP.GOV website.

REQUIRED VACCINATIONS

All guests must ensure they are medically fit for travel. As such, we remind you to check with your physician at least four to six weeks before sailing to ensure you are up to date with immunizations or vaccines required for each of the destinations and tours on your itinerary. For example, some countries require certification of the yellow fever vaccination. For further information, you may contact the Centers for Disease Control & Prevention's Traveler's Health website at WWW.CDC.GOV/TRAVEL/ or toll-free at 1.800.232.4636. You may also contact the World Health Organization (WHO) at WWW.WHO.INT.

FAMILY LEGAL DOCUMENTS

When the last names of a parent and minor child(ren) differ, the minors must be linked to the parent through legal documentation. The parent is required to present the child's valid passport book and visa (if required), or the child's birth certificate (original, notarized copy, or certified copy). If a child is sailing with an adult who is his or her legal guardian, the adult must present a certified Certificate of Guardianship with respect to the child.

If a child is sailing with an adult who is not his or her parent or legal guardian, the adult is required to present the child's valid passport and visa (if required), or the child's birth certificate (original, notarized copy, or certified copy) and an original notarized letter signed by at least one of the child's parents. The notarized letter from the child's parent must authorize the traveling adult to 1) take the child on the specific voyage and 2) supervise the child and 3) permit any medical treatment that must be administered to the child.

IMPORTANT TIPS FOR ALL VOYAGERS TO ADD TO THEIR PRE-TRIP CHECKLIST

- Renew your passport if the expiration date is within six months of your travel date.
- Contact the Embassy (Consular Services) of each country on your voyage or the visa service of your choice for visa requirements.
- If traveling with minors, make sure you bring the proper documents for them.
- Review the vaccines you need for embarkation and all ports of call.
- Bring along proof of vaccinations and copies of your prescriptions.

SHIP CHECK-IN TIMES AND PROCEDURES

Azamara® check-in times vary, and may be as early as noon. For the specific check-in time of your voyage, please check with your travel professional. Check-in times are also noted in your travel documents.

All guests must board the ship at least 90 minutes prior to the vessel's scheduled departure. Failure to check in at least 90 minutes before the ship's

scheduled departure constitutes a "no-show" and results in automatic cancellation of your booking and assessment of cancellation charges.

LATE ARRIVALS AND EARLY DEPARTURES

If you need to join your voyage late or leave early, it is important to submit your request well in advance of your departure date. Various domestic and international laws govern the ability to join or depart from a voyage in progress, based on a ship's itinerary and guest's citizenship. Your advance request will enable us to tell you whether your proposed schedule changes are permitted. For more information, visit AZAMARA.COM and search for information on "partial voyages," or call 800.256.6649. Please take note of the cut-off dates for submission of your request. No refunds or prorated fares can be granted if you join a voyage late or leave early. Some governments impose fines or other charges when a guest permanently debarks from a voyage before its final port of call, and the departing guest will be responsible for these charges.

BACK-TO-BACK SAILINGS

Please note that due to restrictions under the U.S. Passenger Vessels Services Act (the Jones Act), we cannot accept reservations for back-to-back voyages that begin in one U.S. port and conclude in a different U.S. port. In the event such an itinerary is booked, Azamara® reserves the right to cancel one of the cruises at the passenger's expense.

TERMS & CONDITIONS CRUISE TICKET CONTRACT

PASSAGE TICKET LIMITATIONS

The transportation of guests and baggage on Azamara® ships is governed by the terms and conditions of the Cruise Ticket Contract. This contract is included in voyage documentation, and guests will not be allowed to board the ship until it has been signed. The contract contains important limitations on the rights of passengers. Please carefully read all terms of this contract, paying particular attention to section 3 and sections 9 through 11, which limit our liability and your right to sue. This agreement requires the use of arbitration for certain disputes, and waives any right to trial by jury to resolve those disputes. Please retain the contract for future reference. In the event of any conflicting information between terms and conditions set forth in this brochure, advertisements, offers, or oral or written representation of any Azamara representative, the terms of the Cruise Ticket Contract shall govern. Copies of the Cruise Ticket Contract are available upon request, and are also available online at AZAMARA.COM/PRICETERMS.

Azamara may, but is not obliged to, substitute another vessel or port of call, and shall not be liable for any loss to guests as a result of such cancellation, advancement, postponement, deviation, or substitution.

Azamara shall not be responsible for failure to adhere to the arrival and departure times published in this brochure for any of its ports of call. For questions regarding itinerary changes due to weather or other current events, please visit AZAMARA.COM or call our Customer Service Department at 877.999.9553. While every effort will be made to adhere to the specific voyage details described in this brochure, circumstances may necessitate changes or deviations. All schedules, itineraries, destinations, hours of arrival and departure, hotels and/or conveyances, and other aspects of voyage programs are subject to change without prior notice. Neither Azamara nor any affiliated party shall be required to refund any portion of fare or other charges or make any compensation under such circumstances.

LIABILITY

SHORE EXCURSIONS

Azamara's responsibility to our passengers does not extend beyond the vessel and the ocean voyage part of your tour. For land tours, Azamara works as a booking agent with independent contractors to make arrangements for transportation, lodging, and/or excursions and tours. Azamara is not responsible for tour cancellations, re-routings, delays, accidents, injuries, or losses sustained while guests are on shore, whether as part of organized excursions or on their own. Please see our Shore Excursions brochure for details and contractual conditions.

AZAMARA® LIABILITY

Guests release Azamara from any and all claims for loss or damage to baggage or property, for personal injuries or death, and for loss from delay arising out of the acts, omissions, or negligence of any independent contractor, such as air carriers, hotels, shore providers, restaurateurs, transportation providers, medical personnel, or other service or facility providers. Azamara disclaims all liability for damages for emotional distress, mental suffering, or psychological injury of any kind, under any circumstances, except to the extent such disclaimer is prohibited by 46U.S.C.A.4183c.(b).

GUEST LIABILITY

Each guest agrees to indemnify Azamara for all penalties, fines, charges, losses, or expenses incurred by Azamara by virtue of any act, omission, or violation of law by the guest. Each guest (or if a minor, his or her guardians) is liable for and will be required to reimburse

Azamara for all damage to the ship, its furnishings, equipment, and property caused by any willful or negligent act or omission on the part of the guest.

LOST OR STOLEN PROPERTY

Safes are available in every stateroom, and guests are responsible for securing their valuables. Your Cruise Ticket Contract establishes procedures and time limitations for reporting lost or damaged property. When possible, please report damaged or lost property to either the Guest Relations Desk or a designated Azamara employee before you leave the U.S. Customs area. In the absence of negligence on its part, Azamara is not responsible for any loss, theft, pilferage, and/or damage to property, which may include money and travel currency, jewelry, photographic/electronic equipment, or other personal property. Azamara's liability for loss or damage to property shall be limited to USD \$300 per guest. Please note that the CruiseCare® Vacation Protection Plan offers personal property protection. Consult with your travel professional for details.

ACCESSIBLE CRUISING

GUESTS WITH DISABILITIES AND SPECIAL NEEDS

Azamara® welcomes guests with disabilities and special needs and we will provide reasonable and appropriate assistance. While we do not require information regarding the extent of your disability, the more information you can share with us about your specific needs, the better we are able to assist you. We encourage you to notify us of your needs at the time of booking; however to guarantee availability of specific equipment and services, please provide:

- 60 days advance notice if you need sign language interpreting services to/from U.S./Canada only.
- 30 days advance notice if you need special equipment or services to accommodate your disability.

Contact Azamara's Access Department via e-mail at special_needs@azamara.com. Guests with disabilities are not required to travel with another person as a condition to traveling on our ships. However, guests should be aware that crew members are not required to provide personal assistance (e.g., assisting with eating, dressing, toileting, lifting, etc.), and therefore, guests requiring assistance with these functions should consider these needs when making a booking.

WHEELCHAIRS/ASSISTIVE DEVICES

Azamara provides wheelchairs for guests during boarding and departing their cruise vacation. During peak times there may be a wait for assistance. Assistive devices including mobility scooters must fit through the stateroom door, and be stored and recharged in guest staterooms so that corridors are kept clear for emergency evacuation.

TENDERING

Occasionally, guests who use wheelchairs and scooters may find it difficult to transfer to and from the tender. Please note weather, sea

conditions, and other factors may preclude tendering. Safety of our guests and crew is our primary consideration, and the Captain will make the final decision regarding transferring guests and their assistive devices based on safety reasons.

OXYGEN

Guests who need oxygen any time during the cruise may bring their own oxygen on board or make arrangements with a vendor to deliver enough oxygen on board the ship to last for the duration of the cruise. Please notify Azamara's Access Department via email at special_needs@azamara.com with the type of oxygen and quantity of oxygen coming on board either by the guest or the outside vendor.

PREGNANCY

Azamara® welcomes guests who are pregnant, but will not accept guests who will enter their 24th week of pregnancy by the beginning of, or at any time during, the cruise vacation. All guests are required to sign a health questionnaire at check-in to ensure they are aware of our pregnancy policy. If you already booked a cruise and do not meet these requirements, please contact your Travel Agent or call us at 877.999.9553 and request a Resolution Agent.

ONBOARD PHYSICIANS

Each Azamara ship is equipped with a medical facility with at least one licensed physician and one nurse. Limited medical services and medications are available for a fee. Types of medications kept on board are limited, and guests must bring an adequate supply of any medications they need. The medical facility is not intended or designed to serve as a clinic for guests and Azamara is not responsible for the diagnosis, treatment or services furnished by the ship's physicians.

RIGHT OF REFUSAL TO BOOK REQUEST OR PASSAGE

We are committed to providing safe and enjoyable voyages to our guests. In support of this commitment, we reserve the right to refuse to accept a booking request from an individual or group, and the right to cancel an existing reservation. The Refusal to Transport Policy provides, among other things, that a booking request may be denied when the guest's conduct on a prior voyage has resulted in disciplinary measures by Azamara®. Azamara is not liable for its refusal to transport any guest or for its removal of any guest in accordance with these policies. In addition, Azamara shall not be required to refund any amount paid by any guest who must leave the voyage vacation prematurely pursuant to either policy, nor shall Azamara be responsible for lodging, meals, return transportation, or other expenses incurred by the guest, or for any consequential or punitive damages. Any dispute between a guest and Azamara in connection with a guest's voyage booking or voyage shall be litigated, if at all, in and before a court located in Miami, Florida, U.S.A., to the exclusion of the courts of any other state, territory or country. For more details, see our Refusal to Transport Policy and Guest

Conduct Policy, both of which are available online at Azamara.com.
