Trusted local guides bring each destination to life with fascinating stories and insightful anecdotes on our perennial favourites from the Douro to the blue Danube, but also our more exotic destinations to Southern Africa, Mekong, the Nile and the Ganges.

For our increasing number of active cruise guests, CroisiEurope has been busy creating new itineraries on much sought-after Cruise & Walk programs. For authenticity seekers, take a closer look at our boutique style canal barges, sailing at a very gentle pace along French canals.

Join us for unique experiences to be discovered in the "Only with CroisiEurope" sections such as our innovative paddle-wheel ships that sail the Loire and Elbe rivers.

The local environments we sail in and through are hugely important to us and CroisiEurope has taken steps forward, reducing our carbon footprint, our use of alternative fuels, reductions in single use plastics and our impact on both communities and nature. We are lucky to sail through areas of outstanding natural beauty as well as countless towns and cities. # Life on board & Cuisine

CROISIEUROPE'S HEAD CHEF, ALAIN BOHN

## French cuisine, European flair

We carefully design and plan our cuisine and menus in the pure tradition of fine French gastronomy. Each meal on your cruise will give you a delightful experience of French haute cuisine. For our gastronomic cruises, such Michelin-starred greats as Marc Haeberlin and the expert staff surrounding Paul Bocuse have been happy to join forces with CroisiEurope to take you on a memorable culinary voyage.

Since 2013, CroisiEurope's head chef, Alain Bohn, has been a member of the *Maîtres Cuisiniers de France*. This esteemed French association, created more than 50 years ago, includes only 250 chefs worldwide.

On our cruises outside of Europe, our Chefs prepare local cuisine, colorful and tasty, while adapted to Western tastes.

## Cabins

After dinner, retire to your private cabin in comfort for the night: all our tastefully decorated cabins are equipped with air conditioning, central heating, shower / toilets, satellite TV, safe, hairdryer— each providing a view of the river. Some cabins have French balconies or private terraces.

Our fleet of Premium ships offer additional comfort providing more space in the cabins.

In order to satisfy the requests of our passengers, we now offer the choice between 3 categories of cabins:

**Category A:** premium location

**Category B:** intermediate location

**Category C:** standard location and cabin can be slightly smaller in size

This concerns all our ships except the canal barges, the ocean ship "La Belle des Océans" and the fleet of exotic river ships.

## Buffet Breakfast

Your day will start with an impressive self-served buffet breakfast in the onboard restaurant, which may include pastries, coffee, tea, juice, breads, jams and jellies, a variety of sausages and cold cuts, eggs, fresh fruit and yogurt.

## Want to relax: choose between lounge bar & sun deck

Why not enjoy one of our lounges? A good place to spend time socializing indoors with friends or family, or enjoy some entertainment. On board our 3-deck ships, the piano bar is the ideal place to enjoy a cocktail, choose a book from the library, listen to or play the piano.

The sun deck offers a panoramic view of the landscape's beauty as you cruise and sun loungers are available to enjoy this view. On some ships, a swimming pool or a jacuzzi are also at your disposal to relax.

## Service & languages

We have a dedicated and knowledgeable staff of more than 1,300 people, whose conviviality, attentiveness and professionalism ensure that your voyage will be comfortable and pleasurable. Our staff and crews speak French, English and many of them speak other major European languages as well.

## Gratuity

Tipping customs vary from country to country and culture to culture, and we understand that tipping is a way for passengers to show appreciation for services, quality and attention received during the cruise. To leave a tip, please use the envelope found in your cabin your last evening on board, and place this envelope in the specially designated box in the reception area as you disembark with the understanding that tipping is entirely at your discretion\*.

## Just sit down and let us take care of you

Lunch and dinner will be 3-course sit down meals prepared by our chefs. We serve a fixed menu of local specialties, prepared on a daily basis from fresh ingredients. Both lunch and dinner meals are paired with excellent complimentary wines. We do provide meals for people with food allergies or special dietary needs.

## MEMBERS OF

# Taking care of our environment

CroisiEurope's longstanding environmental position focuses on nature as our most valuable asset. We consider ourselves pioneers in our field, as our commitment to protecting the environment goes above and beyond our legal obligations. We are continually reflecting on how we can **expand our green efforts**.

After conclusive tests carried out on the Seine River with our partner AS Energy, **our ships now use GTL fuel**. Gas-to-Liquid fuels combust more uniformly and result in lower emissions.

## Here are other environmental initiatives we would like to share with you:

- Installation of **water-saving devices** on our ships that reduce freshwater consumption by 35% and, as a consequence, the amount of wastewater produced.
- Installation of **wastewater evacuation systems** on our entire fleet that are emptied into wastewater treatment facilities or urban sewer systems during ports of call.
- **Installation of a wastewater recipient** connected directly to the city sewer system at the CroisiEurope dock.

- All of our ship engines (**Green Ship Label**) respect the strictest European standards against pollution to help reduce greenhouse gas emissions.
- The latest onboard technology helps **limit fuel consumption** when cruising.
- We have insulated the ventilation in our engine rooms to **reduce noise pollution**.

- For the **replacement of bath towels**, we are trying to raise our passengers' awareness using written messages and announcements.

- At ports, we systematically connect to **power supply terminals** (Powerlock connectors) whenever possible, and for our own docks, we are investing in these newer installations. In addition, most of our ships are equipped with **energy-efficient electrical devices**.
- In winter, our ships are moored at river **ports with electrical terminals** that power the vessels, which helps reduce noise and pollution.
- In Paris, we are providing excursions on **electric buses** that are quieter and pollute less, to everyone's advantage.

- All of **our waste is sorted and compacted** on board before being **recycled**.
- All food waste and biowaste are collected and **converted into biogas** by specialised companies.
- **Used engine oil is collected and transformed** by onshore specialists.
- We use **biodegradable and environmentally friendly cleaning products**.
- **Exterior paints contain no pollutants**.
- Plastic straws and cups have been replaced by **biodegradable paper**.

- Our company is affiliated with **E2F, Entreprises Fluviales de France** which brings together players in our sector to orchestrate collective actions regarding the immense challenges that lie ahead.

#### ARLES AND VISIT TO A LOCAL OLIVE OIL PRODUCER'S

LENGTH: 4 hours

We'll leave on foot for our guided tour of Arles. For two thousand years, Arles has maintained an outstanding architectural heritage making it a genuine open-air museum. Our tour will take us past the Roman Amphitheatre (the "Arènes"), the Ancient

Roman Theatre and the Place St Trophime with its cloister and church. These are part of the Arles route, one of the three pilgrimage routes leading to Santiago de Compostela. We will continue our visit with the Place du Forum and the Thermae of Constantine before hopping on board our coach leading us to Tarascon. There, we'll visit a local olive oil producer's domain. CRUISE REF. LSR\_AIPP.

#### AVIGNON AND THE PAPAL PALACE

LENGTH: 3 hours

We'll set out on foot with our guide for the center of Avignon, first stopping at the Place de l'Horloge. This square has always been the beating heart of the city as revealed by the remains of the Roman forum, still visible amidst the numerous cafés and restaurants that have since

taken up its former social function. We'll continue on to the Place du Palais for our visit to the Papal Palace, the most important monument in the city. The two parts that make up the Palace were built by Pope Benedict XII and his successor Pope Clement VI. Our visit will take you through the staterooms where numerous ceremonies and feasts took place, the chapels, the Pope's private apartments and the terraces which offer a wonderful panorama on Avignon and the Rhône River.

CRUISE REF. LMM\_RAIPP / LMX\_AIPP / LSR\_AIPP.

#### BEAUJEU

LENGTH: 10.5 hours

We'll set out for Beaujeu, the former capital of the Beaujolais. The departure of the Beaujolais Nouveaux wine from the Les Sarmantelles International Festival is a joyful, 30-year-old event. You'll be able to join in on the action and discover the 12 appellations of Beaujolais while listening to great music and admiring the fantastic

CRUISE REF. BJL\_AIPP.

## BEAUNE

LENGTH: 4 hours

As we travel through the outlying hills of Beaune, we'll cross through several well-known wine appellations: Pommard (once appreciated by Henri IV and Louis XV), Puligny, Montrachet, and many others. When we arrive in Beaune, we'll first visit the famous hospice, founded by Chancellor Nicolas Rolin during the extreme poverty and plague that hit the region in 1443. It remained a working hospital overseen by the Holy See up through the 20<sup>th</sup> century, with the daily activities run by nuns known as Les Soeurs Hospitalières. Now a museum, it contains over 5,000 objects, including a dazzling polyptych altarpiece of The Last Judgment by Rogier van der Weyden. The hospice is also well known for their more than 148 acres of vineyards, most of which are located in prestigious appellation areas. As anticipated, our tour will finish up with a tasting of a selection of these wines.

CRUISE REF. BJL\_AIPP.

## CLUNY ABBEY

LENGTH: 3 hours

We'll leave by coach with our guide towards Cluny Abbey. Founded in 910 by William the Pious, this ancient Benedictine abbey extended a widespread beneficence to all of medieval Europe. Its church was the largest in all of West Christianity until the construction of Saint Peter's basilica in Rome. In 1798, the abbey was sold as a national asset and thus dismantled, while its church was almost completely destroyed. Today, you can still admire their vestiges which bear witness to the past splendour of Cluny.

CRUISE REF. BJL\_AIPP / LSR\_AIPP.

## FOLLOWING THE FOOTSTEPS OF VAN GOGH IN ARLES

LENGTH: 2 hours

We'll leave on foot for a guided tour of Arles following the footsteps of Vincent Van Gogh. Arles is an ancient Roman city whose ruins are second only to Rome and include the Antique Theater, Amphitheater, Thermes of Constantine, and the Alyscamps. Arles is also an important stop along the Way of St. James. Vincent Van Gogh came to Arles to escape the gray winter in Paris and the indifference he felt within the artistic milieu there. He arrived in Arles on February 20, 1888, and immediately began to produce his most prolific number of works in his career: more than 300 paintings and drawings within an 18-month period. Van Gogh crisscrossed the city and its surroundings to paint the landscapes, people, and scenes as he interpreted them. Everything around him served as inspiration for his canvases. Our tour will retrace his steps to the different sites where he set up his easel, such as the Place du Forum, the Quai du Rhône, and Place Lamartine. Panels at each stop compare his painting and the actual scene as it appears today. After some free time on your own, we'll return to the ship.

CRUISE REF. OML\_AIPP.

## GASTRONOMIC DINNER AT PAUL BOCUSE'S ABBAYE DE COLLONGES

LENGTH: 2 hours

We'll leave on foot for Paul Bocuse's Abbaye de Collonges for a veritable French

CRUISE REF. LLY\_AIPP / LMM\_RAIPP / LSR\_AIPP.

## LYON AND LES HALLES DE LYON PAUL BOCUSE

LENGTH: 4 hours

Learn about the discrete and strategic doorways leading to shortcuts, known as traboules, that go from street to street. Don't miss the tasting of fine food at Paul Bocuse's Les Halles de Lyon, a huge, three-story, indoor market where close to 50 shops offer the finest gourmet food—a veritable feast for the eyes and palates. We'll enjoy a snack of local sausage and cheese, topped off with a lovely glass of wine\*. Enjoy some free time before returning to the ship.

CRUISE REF. OML\_AIPP.

We'll learn about the current wine-making and vine-growing processes when visiting the wine storehouse where the wines are left to age in oak barrels. In the midst of the Beaujolais vineyards, we will discover the skills of the winemakers through exhibitions, automated puppet theaters and 3-D films. Afterwards, immerse yourself in fine aromas and delightful scents during a walk through the surprising gardens of "Oenoparc", a true haven for wine-lovers spread out on 30,000 m<sup>2</sup> and 25 exhibition halls. CRUISE REF. OML\_AIPP.

## THE VERCORS

LENGTH: 4 hours

We'll leave by coach from La Voulte towards Die. Carved out in limestone, the Vercors Regional Nature Park extends over 186,000 ha between the Isère Valley to the north and the Diois to the south. Water has shaped deep gorges in the cliffs, majestic cirques, caves and chasms among the most famous in Europe. Wooded plateaus and valleys shaped by agriculture are home to a remarkable fauna and flora. We'll stop at the cellars of Die Jaillance to discover a true love story between man and the vine and enjoy a wine-tasting\* session. Afterwards, we will continue by coach for a panoramic view of the Rousset Pass located in the heart of the Vercors and reaching an altitude of over 1,400 m. The belvedere culminates at a height of 1,245 m and from this point of view the scenery is

We'll move on towards Vassieux-en-Vercors, La Chapelle-en-Vercors and Pont-en-Royans where you'll get to see the suspended houses, whose daring architecture dates as far back as the perched village itself, built in the 15<sup>th</sup> century. Our visit will end with a tasting\* of regional products and wines. We'll return to the ship on foot.

**CRUISE REF. LSR\_AIPP.**

## VIENNE

**LENGTH: 2 hours**

Our guided walking tour of Vienne will allow us to discover a Roman city rich in vestiges. The history of Vienne goes back more than 2,000 years. The city is indivisible from the Rhône River and the surrounding hills. The Allobrogi people are thought to have made it their capital, but it was in the Roman era that the city began to prosper on both banks. You will see the Antique Theatre; built roughly between 40 and 50 AD, it is considered one of the largest in the Roman Empire, with its 130m-diameter and 13,000-spectator capacity. Restored in 1938, it was returned to its original function and is now a venue for artistic events. The tour will continue with the Temple of Augustus and Livia (exteriors only). This temple dedicated to Rome and Augustus stood in a sacred area on the forum and has carried this name since the end of the 18<sup>th</sup> century. Its construction began about 20-10 BC; it was later transformed at the beginning of the Middle Ages into a church, and was finally restored in the second half of the 19<sup>th</sup> century thanks to the intervention of Prosper Mérimée. Finally, to complete the tour, you will see the Cathedral of St Maurice (exteriors only), which has been listed as a historic monument since 1840.

**CRUISE REF. LLY\_AIPP / LSR\_AIPP.**

We'll leave on foot for our guided tour of Viviers. The third largest protected sector in the Rhône Alpes region and residence of bishops since the 5<sup>th</sup> century, Viviers, a small town with a population of 3,500 is like an open-air museum where every stone contains a page of history. You will be able to admire France's smallest Cathedral in this sumptuous medieval town. Among other things you will see the House of Knights with its superb Renaissance façade, the Tower of St Michael, the great seminary and the Belvedere with an unobstructed view of Viviers at night.
