WALK THE WATERFRONT IN CADIZ

LENGTH: 2.5 - 3 hours

Walk along the oceanfront to the Castle of San Sebastián. According to legend, the Temple of Kronos (a Titan of the Greek gods) was first built here. A chapel was built in the 1400s by Venetian boat crews and the irregular, fortified castle found on the site now was built in 1706. It defended the northern section of the city from attack. Because of its unique shape and décor, it has served as backdrop for many films. We'll return via the city's historic centre and authentic neighbourhoods, admiring the elegant homes painted in glorious pastel colours and decked out with ironwork balconies. Enjoy tastings of local products along your walk.

We'll leave by coach for a panoramic tour of Ajaccio, Corsica's main commercial and cultural hub. You'll take in the city's main sites including the bronze monument to Napoleon and his brothers, and the Place d'Austerlitz, where legend has Napoleon visiting often as a child to see the statues of the glorious soldiers in battle. We'll continue on to the Îles Sanguinaires along the winding, coastal roads bordering the wild crags before arriving at the Pointe de la Parata. A path takes you to the splendid view from the site. From here, you can see the archipelago of four Natura 2000-classified islands. They are an integral part of the natural and cultural heritage found not only in Ajaccio but across the whole island. After our tour, we'll return on board.

BOAT TRIP TO THE LAVEZZI ISLANDS

LENGTH: 3 hours

The best times in Bonifacio are spent on the sea. A scenic boat tour will take you along the cliffs and grottoes to the Lavezzi Islands. We'll head to the boat on foot, and then enjoy a guided tour of the Lavezzi Islands Nature Reserve, a small archipelago of granite islands and reefs in the Strait of Bonifacio that separates Corsica from Sardinia. We'll return to the port in Bonifacio and to our ship on foot.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

BONIFACIO

LENGTH: 3 hours

Our first visit will begin with a tourist-train tour of the city, a veritable open-air museum. Bonifacio is rich with a history told along its small streets and paths, its thousand-year old fortress, and the sturdy stone homes perched high above the sea waves. We'll take a tour on foot of

the citadel, whose walls fully encircle the old town. There are some stunning views from the Montee St-Roch steps, including the impressive Grain de Sable limestone sea stack. Enjoy some free time before we return on board.

CALANQUES DE PIANA AND PORTO

Join us for an amazing full-day excursion to the red rocks and gorgeous waters at the Calanques de Piana. The sheer heights of the cliffs and beautiful, time-sculpted stone are just many of the wonderful sights within this UNESCO World Heritage Site. Our tour includes the small, remote port town of Porto. We'll jump on a local boat that will take us to Cap Rosso, where we'll get a closer look at the seaside escarpments and caves lining the gulf coast. We'll return to Ajaccio by coach.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

CALVI

LENGTH: 4 hours

We'll leave for Notre Dame de la Serra to enjoy some of the best views on the island. We'll then head to the citadel. Crowning a lofty promontory, Calvi's massive fortified citadel offers superb wraparound views from its five watch towers. On foot, we'll discover historical sites such as the Oratory of Saint Antoine and the Caserne Sampiero, military barracks that once served as the Genovese seat of power but now serve as a base for the French Foreign Legion. We'll then tour the St. John the Baptist Cathedral, home to a number of beautiful works of art such as The Christ of Miracles. Before returning to the ship, don't miss a visit to the Salt Tower. Serving as storage for the salt that the ships brought in, this round tower was originally a watch tower.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

PORTO VECCHIO

LENGTH: 4 hours

Porto Vecchio is cut in half. Its quaint streets and castle ruins occupy the upper city, while the lower city sports more modern architecture. We'll take a coach to the historical heart of the city, and enjoy a tour on foot of its main attractions. Now a hub for vacationing celebrities, it has retained its charm of yesteryear. Porto Vecchio offers visitors a unique mix of both idyllic beaches along Corsica's southern coast and breathtaking mountain scenery. We'll return on board our ship.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

THE CAP CORSE

LENGTH: 9.5 hours

The Cap Corse is the northern-most peninsula on the island. Its long, windy road traverses the wild coastline offering view after view of amazing scenery: high cliffs, enchanted castle ruins, and picturesque villages. Leaving from Bastia, we'll begin our journey in Erbalunga, an adorable fishing village. We'll continue on to Santa Severa, a lovely port, the typical village of Luri (where we'll stop for 15 minutes), the Santa Lucia Pass, and the beautiful grove-lined village of Pino. We'll have lunch in Nonza (or the surrounding area), located on a high cliff overlooking the sea. After lunch, we'll continue on towards Saint-Florent. Located on a small promontory with a backdrop of mountains, the climate, nearby beaches, and scenery make Saint-Florent a popular resort and tourist destination. We'll then head to Patrimonio, the well-known wine making region near the cape. Here, we'll enjoy a tasting of wine, cheese and local cold cuts. After our tour, we'll return to the ship in Bastia.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

**THE VILLAGES
IN THE BALAGNE REGION**

Discover a world of Corsican traditions, including the stonewash houses, fountains and the sacred churches that bind the communities together. We'll visit picturesque Calenzana, where you'll think you are in another era. We'll then head on to Montemaggiore, at the foot of the Monte Grosso mountains, for a quick photo op. This lovely cliffside village has a gorgeous view of the exceptional scenery. Afterwards, we'll pass through Sant'Antonino, sometimes referred to as the "Eagles Nest" because of its dramatic situation clinging to the top of a hill, and the timeworn village of Aregno, surrounded by orange, lemon and olive groves. Our next stop will be Île Rousse. Overlooking the most beautiful Mediterranean bays, Île Rousse is a lively resort town.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

"VIEUX NICE"

We'll continue on to the Promenade des Anglais, the famous avenue traveling along the must-see Bay of Angels. We'll stop near the Russian Orthodox Church to snap some photos, and then head by coach to the Franciscan Church and Monastery of Nice in the Cimiez district. Henri Matisse, Raoul Dufy and Roger Martin du Gard are buried in the church cemetery. We'll finish up our tour by exploring "Vieux Nice", considered the heart of the city. You'll be able to stroll through its small streets - discovering the ambiance of this picturesque and colorful neighborhood that is as lively during the day as it is at night. This is where old French ladies at the boulangerie still gossip together, and where the local festivals and processions are taken very seriously. After our tour, we'll return to the ship by coach.

SAINT-FLORENT, FREE TIME IN THE CITY

LENGTH: 8 hours

Saint-Florent is tucked between Cap Corse and the Balagne Region, where the only desert in Europe is found. This ancient Genoese city sits on one of the most beautiful gulfs in the Mediterranean. Today, it is known playfully as the Corsican Saint-Tropez. Take advantage of a full day in Saint-Florent to stroll through the labyrinth of streets and small squares lined with stone homes and oleander bushes. The Venetians demolished it, the Ottomans turned it into a military building and the British used it as a colonial prison. Today it houses the medieval museum of Cyprus, with exhibits such as Ottoman pottery, medieval armor and everyday objects from the Byzantine era. The reception hall of the castle was where Richard the Lionheart, king of England, married Berangaria of Navarre in 1191. In addition, he proclaimed himself to be the king of Cyprus in this very hall and made his wife the queen of England. There will then be some free time in the old town. Our excursions are valid for a minimum of 25 participants. Below this number, our rates can be adjusted on board.

CLASSIC EXCURSIONS

BERAT AND APOLLONIA

LENGTH: 10 hours (4.5-hour transfer)

Berat is one of the highlights when visiting Albania, whose most striking feature is the white houses climbing up the hill to its castle. The centre of Berat is listed as a UNESCO World Heritage Site and contains rare examples of Ottoman-style architecture. The old quarter contains lovely ensembles of whitewashed walls, tiled roofs and cobblestone roads. We'll enjoy lunch during our excursion and then continue on to the largest archaeological site in Albania: Apollonia. Apollonia was founded in 588 BC by Greek colonists from Corfu and Corinth. The city flourished during Roman rule and was home to a renowned school of philosophy. Julius Caesar rewarded Apollonia with the status of "free city" for supporting him during the Great Roman Civil War. The future Emperor Augustus completed his studies here.

BUTRINT

LENGTH: 4 hours (1.70-hour transfer)

For this excursion, we'll leave Saranda and head inland, crossing the Bistricë River and the vast Vrina Plain before arriving at the salt lagoon known as Lake Butrint. We'll visit the UNESCO World Heritage site of Butrint, once part of the Greek and Roman colonies. Inhabited since prehistoric times, the city experienced a great period of prosperity under Byzantine rule. The first modern archaeological excavations began in 1928 when Benito Mussolini sent an expedition to extend Italian dominance into the area. The excavations, which continued through 1943, uncovered the Hellenistic and Roman part of the ancient city including the "Lion Gate" and the "Scaean Gate". The major ruin from the paleo-Christian era is the baptistery, an ancient Roman monument adapted to the cultural needs of Christianity.

CRUISE REF. DCA_AIPP / DCA_RAIPP.

CORFU AND ACHILLEION

LENGTH: 3.5 hours

We'll depart by coach with our guides to visit the sights of the island of Corfu. First

of all you will visit the Achilleion Palace, built between 1889 and 1891 following the orders of Empress Elisabeth (better known as "Sissi") in honor of her favorite Greek hero, Achilles. The visit will continue by coach through the Kanoni peninsula, an extraordinarily beautiful site. You will be able to admire an unforgettable view where all the shades of blue and green mingle, in the sky, the sea and the nature of Corfu. Off the coast of Kanoni is an island on which stands the Vlacherna monastery and the famous Pontikonissi Island (Mouse Island), with the Church of Pantokrator. The visit will end with a walking tour down the winding streets in the island's capital, Corfu City, whose Old Town developed in a confined space, between two fortresses and encircled by ramparts. You will visit St Spyridon church, the city's most famous monument built at the end of the 16th century and whose interior will stun you with the splendor of its Byzantine icons.

CRUISE REF. DCA_AIPP / DCA_RAIPP.

DUBROVNIK

LENGTH: 3.75 hours

We'll visit the Dominican Friary, its lovely Gothic cloister, and its extraordinary museum of religious art - with several valuable paintings, including a triptych by Nikola Bozidarevic depicting Dubrovnik before the great earthquake of 1667. We'll then see the Rector's Palace, once the seat of the government and now a museum housing furniture, portraits, coats of arms, paintings, coins, and the original keys to the city gates. We'll also visit the cathedral which keeps in its core gold and silver reliquaries as well as paintings from Titian's workshop, before moving on to the Onofrio Fountains and Sponza Palace, a superb Gothic-Renaissance structure.

CRUISE REF. DCA_AIPP / DCA_RAIPP.

GJIROKASTËR

LENGTH: 5 hours (3-hour transfer)

Join us for an excursion to Gjirokastrë, one of the most beautiful sites in Albania. Its castle, which is undoubtedly one of the most magnificent structures in Gjirokastrë, sits on a rocky bluff with the city stretching

out around it. This "City of Stone" is also comprised of hundreds of Ottoman-style tower homes with distinctive stone roofs, wooden balconies, and whitewashed stone walls. We'll visit the castle and the National Museum of Armaments located inside, which houses various arms from the neolithic period to World War II. We'll also enjoy a tasting of some local products.

CRUISE REF. DCA_AIPP / DCA_RAIPP.

STARI BAR

LENGTH: 3 hours

Stari Bar, meaning "Old Bar," is located a few miles from the newer city of Bar at the foot of Mount Rumija. Although Stari Bar was abandoned after the 1979 earthquake because the aqueduct that supplied water to the town was damaged, it was restored some years later and the population began to return. The walls along Stari Bar contain some fascinating ruins, including the foundations of St. George Cathedral, the Church of St. John, and the Church of St. Verenada. Enjoy some free time to stroll about the town on your own.

CRUISE REF. DCA_AIPP / DCA_RAIPP.

TIRANA

LENGTH: 5 hours (3-hour transfer)

We'll hit the road for Tirana. We'll first visit the National History Museum, which takes you chronologically from ancient Illyria to the post-communist era. After our visit, we'll set out on foot for Skanderbeg Square, the city centre surrounded by important government buildings, as well as the historic Et'hem Bey Mosque (the mosque is currently closed for renovations; the initial visit to this site will be replaced by a tour of the Blloku area). Once the area where the communist elite resided, it is now an upscale location for dining, shopping, and entertainment. Blloku is also well-known for its colorful, sometimes garish facades that contrast with the gray Soviet-era buildings. The simple, three-story former residence of Enver Haili Hoxha, head of Albania for over 40 years, can still be seen on Ismail Qemali Street.

CLASSIC EXCURSIONS

SAINT CATHERINE'S EASTERN ORTHODOX MONASTERY

LENGTH: 9.5 hours

We'll leave early in the morning for a visit to one of the most important Christian sites in the area, Saint Catherine's Monastery. The age-old monastery sits where the Church believes God revealed himself to Moses as a burning bush and where Moses later received the Ten Commandments. Catherine of Alexandria was an educated woman who converted to Christianity at 14. Roman Emperor Maxentius put her to death just four years later. Our visit begins at the magnificent art-filled Basilica of the Transfiguration and includes the site of the original Chapel of the Holy Bush, the stunning gallery of icons, and the Well of Moses. We'll enjoy lunch at a restaurant and return to Sharm El-Sheikh by coach.

Egyptian authorities may decide unexpectedly to limit access to Sinai.

PETRA

LENGTH: 10 hours

Petra is unquestionably one of the greatest marvels ever sculpted by both Mother Nature and humankind. The area was settled as early as 7000 BC. Petra is also known as the "Red Rose City" because of the stone from which it is carved. We'll visit this incredible UNESCO World Heritage Site to take in its ancient wonders hidden within the mountains that have protected them for so long. From the dramatic, narrow passage known as the Siq to Al Khazneh, its most elaborate ruin, this excursion to one of the Seven Modern Wonders of the World will take your breath away. We'll have lunch in a local restaurant. This excursion requires physical efforts, including walking long distances on uneven and steep terrain.

Lunch included. Approx. 4 hours round trip travel time.

CRUISE REF. SAQ_AIPP.

THE SEAFLOOR IN NAAMA BAY

LENGTH: 2.5 hours

We'll set out from the harbor in Sharm El-Sheikh for the magnificent seaside area of Naama Bay, an enormous natural inlet known for its beautiful diving sites. The golden sand beaches lined with palm trees are the ideal place to relax,

sunbathe, swim, or just veg out. You'll begin this excursion at the Hilton Resort, where you'll board a glass-bottom boat and cast off to observe the beautiful marine life found in the Red Sea. You'll have a great view of the coral reefs and tropical fish of all sizes while the ship's captain talks about each species and the environment you see under your feet. From the top deck, you can take in the magnificent views of Naama Bay and mountains that surround the station as you enjoy a refreshing drink.

CRUISE REF. SAQ_AIPP.

THE VALLEY OF THE KINGS AND THE KARNAK TEMPLE COMPLEX

LENGTH: 15 hours

We'll leave for a full-day excursion to Thebes, the ancient capital of the Pharaohs. You'll discover Luxor and the Valley of the Kings. The Valley of the Kings is one of ancient Egypt's top tourist destinations. Located in a deep valley just 2 km from the edge of the plain, the site contains over sixty tombs. Only the openings dotting the face of the cliff remain as tell-tale signs of the tombs below. This valley is one of the main complexes of the Ancient Theban Necropolis, located on the left bank of the Nile, directly across from the city of Luxor. It was here, in this setting, that the Pharaohs awaited immortality in their sarcophagi. Further along, dominating the eastern bank, the 18-meter-high Colossi of Memnon—faceless effigies sitting on a throne—are the ruins of the mortuary temple of Amenhotep III. Our afternoon will be spent visiting the Karnak Temple Complex. Connected to Luxor by a corridor of ram-headed sphinxes, this grandiose site dedicated to the god Amun, was continuously expanded for 1500 years. At the heart of this site stands the colossal Precinct of Amun-Re, enclosing a sacred lake that was used by priests in a purification ceremony before performing rituals in the temple. An important place of worship, it contains the Great Hypostyle Hall, a spectacular forest of gigantic columns. This historically significant complex is breathtakingly beautiful.

Lunch included. Approx. 9 hours round trip travel time.

CRUISE REF. SAQ_AIPP.

THE WADI RUM DESERT

LENGTH: 5 hours

We'll set out in Jeeps to cross the magnificent desert, also known as the Valley of the Moon. Its vibrant red earth and stunning rock formations make it one of Jordan's most extraordinary sites. Follow the footsteps of T.E. Lawrence and fall in love with the area as he did. Geologists think that Wadi Rum was formed from a strong push from underground, which caused a large fissure in the surface. As a result, the rock formations provide some of the best photo ops found on the planet. Some wind-brushed mountain peaks reach over 6,000 feet. Deep canyons and sand dunes add to the mystique. Large caravans of merchants and wares traveling between the various territories once crossed this desert. Today, a few hundred Bedouins still call the area home. Their hospitality is second to none, and they have adopted a humanistic and green approach to tourism in their homeland.

Our excursions

Core program

Included

JOHANNESBURG

We'll have lunch before visiting the Apartheid Museum which opened in 2001. It is famous the world over for being the first museum centering on South African history in the 20th century, and more particularly on Apartheid. Afterwards, we'll set off for a panoramic tour of the city. In addition to being South Africa's financial capital, Johannesburg is also the city of superlatives. It is indeed the richest town in Africa, with the tallest buildings and widest social discrepancies, but is also infused with one of the best atmospheres you'll ever come across. We'll be transferred at our five-star hotel LS where you'll be welcome to

settle into your rooms before dinner. You'll spend the night at the hotel.

SAFARIS

We'll explore the local fauna and flora in small groups on board small motor boats or Jeeps. Elephants, giraffes, Cape buffalos and impalas are only but a few of the wild animals you may get to see in your surroundings. Each season brings its own particularities and allows for unique and up-close experiences with wildlife.

IMPALILA ISLAND

One morning will be dedicated to discovering the culture and traditions of the area. We'll visit rebuilt traditional villages, an opportunity to learn more about the Namibian houses, the everyday life and living together of the indigenous population and more.

VICTORIA FALLS

We'll leave for a tour on foot of the falls in Zimbabwe, where the views are among the most exceptional in the world. We'll also see where the Zambezi River plunges over the cliff to become the widest waterfall in the world, creating the "smoke that thunders". Enjoy dinner and spend the night at a four-star hotel LS.

Optional

HELICOPTER RIDE OVER VICTORIA FALLS (12mn)

Soar over Victoria Falls in a helicopter for spectacular views over this true wonder of nature known as the "Smoke That Thunders" (in "high water" season). You'll also get to see from above where the Zambezi

River plunges over the cliff to become the widest waterfall in the world, as well as the city of Victoria Falls and the surrounding nature.

Extended stay

CAPE TOWN

We'll leave on a panoramic tour of the city. Cape Town is a meticulously preserved city with modern towers in the centre, cobblestone roads and a bounty of historical monuments. We'll then take the Table Mountain Cableway to soak up the 360-degree views of Table Bay and the nearby peaks of the surrounding mountains (if the weather allows it). We'll have dinner and spend the night at our 4-star hotel LS.

We'll take the famous Flying Dutchman funicular to the summit to see the old lighthouse and relish the panoramic views. We'll have lunch before discovering the penguin colony near Simon's Town. Once called Jackass Penguins, they are famous for their hilarious braying call. We'll have dinner and spend the night at the hotel.

- Your cruise on board the ships as well as your stay at the lodges are fully dedicated to the protected areas of Lake Kariba and Chobe National Park. Life on board and at the lodges revolves around the discovery and observation of the local fauna and flora, providing constant enchantment. Strict safety rules and guidelines will be given on site, such as staying close to the lodges and ships at all times outside of the context of excursions because of the ever-present wilderness and fauna around you.
- The observation of wildlife can't be guaranteed.
- Please be aware that most of your stay will take place at the border with three different countries, meaning mandatory and frequent border crossings. Our teams on site are doing everything in their power to make the process quicker.
- The helicopter ride, the ascent of Table Mountain and the Robben Island visit

depend on suitable weather conditions.

- Cabin for triple use on board the ships: if two adults and one child are sharing one cabin, the spare bed will measure 150cm x 80cm (59 in. x 31 in.).

BAGGAGE REGULATIONS TO FOLLOW

On this trip we plan to use private planes to get you between Kasane (lodge) and Kariba (ship).

The airline company operating these flights are imposing many restrictions regarding the bags being transported due to the capacity of the planes and for safety reasons.

You'll find the list of regulations below:

- The checked baggage (1 per person maximum) must not exceed 20kg/44lbs.
- It must comply with the following dimensions 60cm/23,60in. in length x 40cm/15,70in. in height x 30cm/11,80in. in width.
- It must be made from soft fabric. Hard-shell suitcases are not accepted.
- Luggage with wheels is accepted (a maximum of 2 wheels per bag).
- The carry-on baggage and personal items must not exceed 3kg/6,6lbs.

If the baggage does not comply with the above rules, the airline will refuse to transport it. Your stay aboard the ship would take place without your personal belongings. At the end of your cruise and before taking your international flight, you will be forced to return to the lodge at your own expense to collect your suitcase.

For your comfort, a laundry service is available during your stay at the lodge.

Our excursions

Core program

SIEM REAP

• The Beng Mealea Temple

Isolated from the touristy spots, it is one of the few temples to have remained intact since it was first discovered. Built between 1112 and 1152, it is said to have served as an inspiration for the construction of the Angkor Wat temple complex.

• The Jewels of Angkor

We'll leave for an early visit of Ta Prohm, an 1186 Cambodian temple dedicated to the family of Jayavarman VII. We'll then explore Angkor Thom, a vast architectural complex which can be accessed through five gates. At its centre is the monumental temple of Bayon—famous for its towers and 172 faces of Avalokitesvara.

Stroll through the grounds of the former Royal Palace. Discover the Terrace of the Elephants and the Terrace of the Leper King. After lunch in town, we'll visit the Senteurs d'Angkor: a diverse collection of silk and carvings, as well as a superb range of traditional beauty products and spices, all made locally. We'll also visit the silk weaving workshops and discover the traditional weaving techniques that are still being used today.

• Angkor Wat temple complex

The epitome of Khmer architectural art, Angkor Wat is the largest religious monument in the world and an architectural masterpiece.

KAMPONG CHHNANG

Kampong Chhnang is one of the largest fishing ports. The region is best known for its particularly archaic pottery that can be

found throughout the country. We'll taste some of the local products.

KAMPONG TRALACH, KOH CHEN AND TUK-TUK TOUR IN PHNOM PENH

We will set out to visit the beautiful Vihara at the Wat Kampong Tralach Leu pagoda. To access the pagoda we need to cross the village of Kampong Tralach in ox carts. The Vihara was built at the beginning of the last century and still has its splendid murals. Totally hidden among the rice fields, it's a little-visited, modest pagoda whose complete isolation makes the site even more fascinating. After our excursion, we'll return on board and cast off as you sit down to lunch. Once we arrive in Koh Chen, you can explore this small village where craftspeople specialize in silver and copper work and where ornaments used in traditional ceremonies at the

pagoda or for marriages are fashioned. After returning on board, we'll spend the afternoon cruising towards Phnom Penh, arriving in the early evening. Enjoy a brief tour of the area by "tuk-tuk," the easiest way to get around the city. We'll return to the ship and enjoy a performance of classical Khmer dancing and music.

PHNOM PENH

Founded in 1434, Phnom Penh still retains a good deal of its charm from the French colonial period. We'll enjoy a tour of the fabulous Royal Palace. We will then visit the Silver Pagoda, which is inlaid with more than 5,000 silver tiles and contains hidden treasures. Onward to visit the National Museum, which houses the Museum of Fine Arts, built in 1917 by the French but using the traditional Khmer style. After lunch in town, you can pay a visit to the Tuol Svay Prey School, a former detention, torture, and execution centre run by the Khmer Rouge during the civil war. Afterwards, enjoy some free time at the market.

CHAU DOC

Located on the border between Cambodia and Vietnam, Chau Doc became part of Vietnam 300 years ago. The town sits among a giant patchwork of rice fields along the Mekong River. The now-prosperous area has developed around fish and fish farming. The town is a busy, lively place with few tourists and several charming colonial buildings. The market is the nerve centre of Chau Doc. We'll pay a visit to the Ba Chua Xu Temple and the Tay An Pagoda.

SA DEC

We'll discover the local market and visit the former house of Huynh Thuy Le, the man who Marguerite Duras based her book

The Lover on. In colonial times, Sa Dec was known as the "Garden of Cochin-China" because of its famous floral gardens. We'll have lunch on board and cruise to Vinh Long, located in the middle of the delta. Hundreds of small boats abound between houses built on stilts. We'll set out in smaller boats and travel through canals and orchards before arriving in Cai Be. We'll discover a brick and pottery factory as well as a traditional factory producing puffed rice, rice-paper wrappers and rice alcohol.

MY THO

We visit the islands close to My Tho. They are famous for their vast orchards and fruit gardens. The surrounding countryside makes up one of the most luxurious cultivated areas in Vietnam. On one of the largest islands, Thoi Son, we'll visit a bee farm and enjoy some honey tea and exotic fruit. We'll then take a ride in small sampans along the canal lined with mangrove palms and have a glimpse of villagers going about their daily life.

HỒ-CHI-MINH CITY (SAIGON)

• Full day

Hồ-Chi-Minh City was heavily influenced by French colonialism in the 19th century. It is now the largest port in Vietnam. We'll enjoy a tour of the city to see the Reunification Palace, Notre Dame Cathedral, and the Saigon Central Post Office, and visit the Museum of Vietnamese History. Lunch will be served on board. In the afternoon, we'll leave by coach for the Cu Chi tunnels, an immense network of underground tunnels that were the location of several military campaigns during the Vietnam War.

• Morning

We'll spend the morning visiting Cholon, the Chinese-influenced section of the city, including its hectic market and the Thien Hau temple.

Extended stay

HANOI

We'll spend the day on a guided tour of the capital, visiting the outside of the historic Ho Chi Minh Mausoleum on Ba Dinh Square, Ho Chi Minh's humble stilt house behind the mausoleum, and the unique One Pillar Pagoda Buddhist temple. We'll visit the Temple of Literature, built in 1070 and dedicated to Confucius. The temple also hosts the Imperial Academy, Vietnam's first national university. After lunch in town, we'll discover the old quarter of the city, also known as the "36 Streets," by pedi-cab or electric mini-bus (depending on availability). We'll have a tour of the local "Embassy Row" with its French colonial-style architecture. In the evening, we'll watch a traditional water puppetry show and have dinner in the city.

HALONG BAY CRUISE

We'll leave Hanoi early in the morning for Halong Bay (approx. 3.5 hours travel time). We'll be welcomed aboard a 4-anchor boat and begin our cruise to discover the thousands of various limestone islands dotting the emerald-colored bay. We'll enjoy dinner on board. The next day, after a Tai Chi class on deck, we'll continue our cruise through the bay, discovering more of its extraordinary scenery and visiting one of the largest caves.

Our excursions

Core program

Included

ASWAN: DAM & PHILAE TEMPLE COMPLEX

Discover the Aswan Dam, one of the largest dams in the world which tames the Nile River and provides electricity to the country. We'll then visit the Philae Temple Complex: after the dam was finished in 1902, the temple complex was partially submerged, so in 1960, UNESCO started a project to save the buildings. In the long run, every building was dismantled into units and then transported to this nearby island for reconstruction. The most ancient temple is dedicated to Isis and dates back to 380 BC. In the afternoon, we'll board small local boats and enjoy a ride on the Nile, between the granite islands and the natural reserve, passing close to Elephantine Island. To finish, we'll stop on Mango Island where you will enjoy an English tea-time in an enchanting setting.

EDFU: TEMPLE OF HORUS

We'll leave in horse-drawn carriages to visit the Temple of Horus. Built between 237 and 57 BC, this temple is one of the best-preserved ancient monuments in Egypt. It was excavated in the mid-19th century after being buried under sand and rubble for hundreds of years.

KOM OMBO TEMPLE

We'll visit the Temple of Kom Ombo, dedicated to the gods Sobek (the crocodile god), Haroeris ("Horus the Elder"), Tase-netrofret (the Good Sister), and Panebtawy (Lord of the Two Lands). By the late 1800s, much of the temple had been either destroyed by earthquakes, the waters of the Nile, or builders who took the stone for other projects. It was cleaned and restored by Jacques de Morgan in 1893. The temple is unique because its dual design shows that there were courts, halls, sanctuaries, and rooms duplicated for two sets of gods.

LUXOR: KARNAK TEMPLE

We'll visit the Karnak Temple Complex, once one of the largest and most important religious complexes in ancient Egypt. The immense size of Karnak, as well as its various details, makes it an invaluable

historical site and resource for understanding the evolution of ancient Egypt.

LUXOR: MORTUARY TEMPLE OF HATSHEPSUT & HARPER'S TOMB

First, we'll visit the Mortuary Temple of Hatshepsut, the only woman who reigned over Egypt. We'll then visit "The Harper's Tomb," one of the most famous in the valley. Tomb KV11 is the tomb of Pharaoh Ramesses III, one of the last great monarchs in ancient Egypt.

LUXOR: VALLEY OF THE KINGS & LUXOR TEMPLE

Join us for a visit to the Valley of the Kings and four of its tombs, including the longest and deepest of royal tombs built for Seti I. It was also the first tomb to feature decorations on every passageway and chambers with highly refined bas-reliefs and colorful paintings. We'll also stop for a photo op at the Colossi of Memnon. In the afternoon, we'll tour the Luxor Temple, a strikingly graceful monument in the heart of the modern town. Its main function was during the annual Opet celebrations, when the statues of Amun, Mut, and Khonsu were reunited during the inundation of the river.

Optional

ABU SIMBEL TEMPLES

We'll leave for the Abu Simbel archaeological site in the morning. Discovering these amazing rock temples is one of the highlights of a trip to Egypt. Located about 140 miles (230 km and three hours driving time) southwest of Aswan, the complex is in the heart of the desert, at the border with Sudan, and is the most impressive imprint left by Ramesses II. Through an extraordinary effort, the complex was re-located in its entirety in 1968 in order to escape the waters during the creation of the dam and Lake Nasser. The twin temples were carved out of the original mountain-side and serve as a lasting monument to the pharaoh and his queen, Nefertari. RIQUEWIHR AND COLMAR CHRISTMAS MARKETS

LENGTH: 9 hours

In Riquewihr, a charming medieval village nestled among the vineyards, you'll discover an authentic Christmas market in a unique setting. The bright colors of the half-timbered homes add to the postcard-like setting of traditional Alsace. Take your time wandering the cobblestone streets and admiring the marvelous decorations covering the facades and village monuments. We'll have lunch in a typical restaurant, and you'll discover just how delicious the local cuisine can be. In the afternoon, we'll head to Colmar—an undeniably charming city located on the vast plain between the Vosges Mountains and the Black Forest. The historic center and the romantic Little Venice neighborhood with its gaily decorated canals are European charm at its best. We'll visit the Choco-Story chocolate museum in Colmar. The museum, dedicated to the wonders of our favorite sweet, is located in the center of the holiday activity in Colmar. Warm up with a cup of delightful hot chocolate. Discover the city's Christmas market before we head back.

RÜDESHEIM

LENGTH: 2 hours

A tourist train will take us through the small alleyways of Rüdesheim before we stop at the "Siegfrieds Mechanisches Musikkabinett" museum, also known as the Museum of Mechanical Musical Instruments, located in an old building from the 15th century. Enjoy some free time before returning on board.

SPEYER

LENGTH: 2 hours

We'll leave on foot for a tour of Speyer. Located on the left bank of the Rhine River, Speyer's Romanesque cathedral can be spotted from miles away. Enjoy a visit of the cathedral's interior with your tour guide. In 1981, UNESCO accepted the cathedral on its list of World Heritage Sites. Begun in the 1020s, its expansion continued well into the 11th century. The Cathedral was the burial place of the German emperors for almost 300 years. Speyer

itself was the seat of the Holy Roman Empire's high court from 1527 to 1689. The cathedral was built using lovely red sandstone taken from quarries near the Palatinate Forest. Your next stop will be the Dreifaltigkeitskirche (Trinity Church), a late Baroque-style, Protestant church. We'll then head to the old Jewish courtyard to visit the Mikveh, a bath used for ritual washing. It is decorated with rich Romanesque ornamentation that was painted in the Middle Ages. It is the oldest bath of this type in Germany. After our tour, enjoy some free time before returning at your own pace to the ship.

STRASBOURG & THE CHRISTMAS MARKETS

LENGTH: 4 hours

We'll visit the Old Strasbourg and the Christmas markets on the Place Broglie and the Cathedral Square. At this time of year, the entire city is covered in garlands and decorations, especially the streets and shops. Take advantage of the afternoon to do some shopping. Once the sun sets, we'll set out to admire the lights around the city near the cathedral, the Place Kléber, Carré d'Or and Place Gutenberg.

CRUISE REF. MNL_XMASPP.

THE CHRISTMAS MARKET IN FREIBURG

LENGTH: 4.5 hours

We'll leave from Breisach for Breitenau where we'll stop off to visit a cuckoo clock factory. We'll then continue with a discovery tour of the Christmas market in Freiburg, one of the most beautiful in all of Germany. Located at the heart of the wonderfully preserved old town, this Christmas market is a real treat for young and old alike! You'll be amazed by the incredible diversity of traditional arts and crafts to be found in the Black Forest such as blown glass and colourful wooden toys. Enjoy some free time to stroll through the many alleys on your own. We'll return on board at the end of the afternoon.

CRUISE 'N WALK

The rivers often flow through the middle of valleys lined with remarkably beautiful hills. It therefore makes sense to combine the tranquility of a laid-back cruise with energetic discovery walks.

The point of a walking cruise is not to beat any world records, but to get up close and personal with the unique landscape by offering an invigorating trek. Day-long walks can be offered on certain cruises. And so travel companions aren't left behind, we will also include guided tours and excursions as options: that's our "non-walker" program.

Walkers are led by one or more certified mountain guides. We'll also provide an onboard presentation about the history and flora to be found along the way. Each walking cruise has been pre-tested by a renowned French walking club.

THE LEVELS OF DIFFICULTY

The activities proposed are two- to five-hour walks having varying altitude differences according to the destination.

The lengths mentioned in the program are for informational purposes only and do not include the time needed for breaks and stops.

You do not have to be a seasoned walker to participate, but you must be physically fit and rested if you would like to take full advantage of your cruise.

Ex: 10, 20, 30... years of marriage = 10, 20, 30% ... off. The discount is only valid for wedding anniversaries in 2023 and applicable upon presentation of the marriage certificate or family register. This discount is only valid on the cruise fare, excluding surcharges and delivery costs. **The discount is not retroactive or reimbursable and cannot be combined with any other offer. These reductions do not apply to sea and coastal cruises nor to cruises on the Volga, Mekong, Ganges, Nile and in Southern Africa.**

16. CRUISE FLEXIBILITY: For your comfort and peace of mind when planning a cruise, we offer Cruise Flexibility. This optional program, of which the cost is detailed below, is non-refundable and non-cancellable, can only be used once per trip, and must be purchased by all the persons included in the booking. With Cruise Flexibility you can change the date and destination, under the following conditions:

- CroisiEurope river cruises (excl. cruises with a duration of less than 3 days/2 nights as well as day services): \$ 179 incl. tax/ person, change of date is possible up to 30 days before departure
- CroisiEurope maritime and coastal cruises: \$ 268 incl. tax/ person, change of date is possible up to 30 days before departure
- CroisiEurope cruises on the Volga, Mekong, Ganges, Nile and in Southern Africa: \$ 358 incl. tax/ person, change of date is possible up to 45 days before departure

Cruise Flexibility is subject to the following conditions:

The change of date must be made once Cruise Flexibility has been requested. The change of date and destination must take place on the same cruise as initially selected. The application of the Cruise Flexibility results in the cancellation of the cruise initially reserved and the establishment of a new booking which will be subject to the terms and conditions of sale effective on the date of the new booking.

Cruise Flexibility is independent of the optional Europ Assistance insurance, which we strongly suggest you to purchase and for which you will find the conditions in the corresponding paragraph.

Cruise Flexibility is applicable only on the cruise, therefore excluding transport (except if a flight chartered by CroisiEurope) and excluding related services. Changes to pre- and post-routing will therefore be subject to the conditions and possible costs of the corresponding suppliers, which will remain at customer's expense.

Cruise Flexibility becomes effective once the balance of the initial contract has been paid. The change of date must be within the same calendar year, it will not be possible to purchase a new Cruise Flexibility on the new booking which led to the implementation of the initial Cruise Flexibility.

The price difference for the new date chosen will be applied to your new booking. If it is in your favour, a credit will be issued to you which you can use on all cruises during the current calendar year.

17. INDIVIDUAL CABIN: The number of individual cabins cannot exceed 12, except for the exotic river cruises.

18. FOREIGN ENTRY REQUIREMENTS: You must meet the immigration and customs formalities in force at the time the voyage takes place, including any necessary tourist and transit visas and health certificates, for all countries through which the cruise itinerary passes. You must have a passport valid for at least six months following disembarkation and necessary visas when boarding. Guests are advised to check with their travel agent, the State Department at www.travel.state.gov or, for Canadians, go to <https://travel.gc.ca/travelling/advisories> to determine which documents they must obtain. If you are not permitted to board a flight or find yourself denied entry into a country, owing to your failure to present documents required by the authorities, you may not claim a refund of any kind. If incorrect documents are obtained, you may not be able to participate in particular shore excursions and may be denied boarding and/ or entry into certain countries. In the event of noncompliance, all costs incurred are yours alone. Commercial Visa services are available to assist with visas to Russia and certain Asian countries, including Vietnam and Cambodia. You are also required to provide us with any information necessary to enable us to satisfy our own security obligations. In situations where we arrange entry documents for you, we do so on the basis of the information that you supply. We cannot be held liable under any circumstances if any information provided proves to be erroneous.

NB: Between publication of this brochure and the date of departure, certain requirements may change. Indeed, the regulations of the different countries change frequently without notice. They are given in the brochure only as a guide, and it remains your responsibility to be informed of the necessary steps at the time of your trip. We cannot be held responsible for the failure to observe the formalities or for fines resulting from the failure to observe the customs or health regulations of the countries visited.

Due to airline security measures, your passport name must match your airline ticket name or you may be denied boarding.

For certain cruises currently including Seville, Venice, Dubrovnik (sea port harbors), and Danube cruises, we require full details of passport information to comply with requirements of customs authorities.

19. MINORS: Reservations from minors will not be accepted but must be made by the parents or other adults of more than 21 years of age with the necessary authorizations. Minors are not permitted to travel on board unaccompanied. They must be accompanied by parents or adults of more than 21 years of age. No alcoholic beverages shall be served to minors on board. Proof of the customer's age may be requested by the ship's personnel.

20. MEDICAL CONTRAINDICATIONS: You must be medically, physically and psychologically fit to undertake a trip without endangering your life or the life of others. No medical services are offered aboard our ships.

If you have a physical or mental incapacity, limited capacity of mobility, an illness requiring treatment or medical care, or if you are pregnant, you should inform the travel agent at the time of booking. No reservation can be accepted if your physical or mental condition is likely to render your participation in the cruise or on the vacation impossible or dangerous for yourself or others, or if you require forms of care or assistance impossible to provide aboard ship. Some suppliers (hoteliers, airlines and cruise companies, etc.) may require a medical certificate confirming that you are fit to travel, or you may refuse to accept the booking if they feel that they will be unable to provide assistance or treatment deemed necessary for your health and well-being.

All personal accidents, diversions or forced stopover costs disrupting the course of the cruise are your financial responsibility, if it is determined that you concealed your unfitness to travel.

We recommend the wearing of footwear suitable for life aboard and for excursions with non-slip soles. Some vaccinations, although not mandatory, may be recommended by health authorities.

21. DISABLED GUESTS: You must report any disability requiring special assistance while on a CroisiEurope Itinerary to CroisiEurope at the time the reservation is made. All vessels and motor coaches are equipped to comply with European standards. Most transportation services, including the vessels and motor coaches, are not equipped with elevators or wheelchair ramps. Only our 3-deck ships have elevators (which cannot service the sun deck). CroisiEurope will make reasonable attempts to accommodate the special needs of disabled travelers, but is not responsible in the event it is unable to do so nor is it responsible for any denial of services by vessel operators, air carriers, hotels, restaurants or other independent suppliers. We regret that we cannot provide individual assistance to a vacation participant for walking, dining, getting on and off vessels, motor coaches and other vehicles, or other personal needs. A qualified and physically able companion must accompany travelers who need such assistance and must assume full responsibility for their well-being.

22. DENIED BOARDING AND PREMATURE DISEMBARKATION: Boarding may be denied or your cruise may be curtailed (at your risk and cost) when, in the opinion of the ship's captain or the senior officer on board, you are not fit to travel, for administrative or other legitimate reasons, or if you disrupt or endanger other passengers. You may be put ashore in any port of call whatsoever without the ship owner's liability being invoked. The river cruise operator may not be required to reimburse the days of the cruise not completed or to cover any costs occasioned by being thus put ashore.

23. COMPLIANCE WITH THE TIMING OF STOPOVERS: On stopovers, the latest time for returning to the ship and departure of the ship are announced and posted aboard as stipulated by the senior officer on board. You are required to abide by such times. The company declines all liability in the event of failure to board at the appointed time, and no refund or compensation will be provided.

24. SHORE EXCURSIONS: The itineraries of the excursions defined in the programs are given only as a rough guide and may be subject to variations owing to external circumstances (e.g. meteorological conditions, strikes, transports delays, closure of sites by the local authorities, etc.) or owing to local service providers. Some of the places visited are subject to high levels of security (the Kremlin for example). The authorities in any country may therefore close any place and prohibit visits without notice. We cannot be held responsible for the unexpected closure of any intended site, and we will always do our best to arrange an alternative visit in such instances. In the event of cancellation of an excursion, we will try to offer replacement tours. In the event of cancellation, the excursion price will be refunded. No additional compensation may be claimed in such circumstances.

A minimum number of guests may be required to operate an excursion. If that number is not reached, the excursion may be cancelled or an additional charge may be assessed.

For the exotic river cruises, the excursions that are booked locally are organized by local companies independent of CroisiEurope. Even if they are proposed by our local representatives, as an extra service to passengers, they are bought freely on the spot and do not form a component part of the holiday booked through CroisiEurope. All descriptions and tariffs shown are for guidance purposes only.

Any dispute, accident or incident in the delivery of these services must be solved on the spot with the company concerned and are not the responsibility of CroisiEurope or the travel agency from which the trip was booked.

25. PERSONAL ITEMS/LUGGAGE: Animals, hazardous objects and products, such as illegal substances, firearms, weapons and knives, explosives, oxygen, compressed air or inflammable products, etc. are strictly prohibited on board. The ship owner reserves the right to deny boarding if you are in possession of such items. You will be responsible for all damage suffered by the ship owner owing to the failure to abide by the aforementioned obligations.

Security of luggage and of personal belongings is your responsibility. We cannot, in any way, be held responsible for lost items. Forgetting luggage on board may result in the charging of any additional costs incurred in recovering it. We advise you to take out luggage insurance. In the event of loss, late delivery or damage to luggage in the context of air transfers, it is the passenger's responsibility to fill in the luggage complaint form at the airport with the airline.

26. VALUABLE ITEMS: We are not responsible for loss of or damage to valuable items, money, financial documents, jewelry, and personal property. We request you not to leave valuable items unattended. Furthermore, we advise you not to leave in the luggage you entrust to carriers any valuable items, keys or identity papers, or medicinal products essential to your health. We cannot be held responsible in the event of damage to and loss or theft of personal effects.

27. COMPLAINTS: If there are problems during the trip, please contact your attendant or purser immediately to find a solution. All complaints must be forwarded to us within 10 days of disembarkation, in writing. Our response time varies from 1 to 3 months depending on the time necessary to follow up with staff, hotels or service providers necessary for any claim.

28. PURCHASES: All purchases made from local vendors are the sole responsibility of customers. Please do not purchase counterfeit items.

29. CANCELLATION OF CRUISES BY CROISIEUROPE: CroisiEurope reserves the right to cancel cruises for circumstances of force majeure, recurrent climatic or natural events (high and low water, cyclones, etc.) or circumstances which may render it impossible to enjoy certain service provisions for reasons relating to passenger safety, at any time prior to departure or during the cruise. CroisiEurope will, insofar as this is possible, offer a replacement cruise of equivalent value. You may take advantage of such replacement cruise or else receive a refund under the terms set out in these conditions. If you accept the replacement cruise, no reimbursement or payment of compensation will take place. CroisiEurope reserves the right to cancel a cruise without liability up to 21 days prior to departure in the event of insufficient bookings. CroisiEurope America Corp may, in the event of unforeseen circumstances making reimbursement impossible, hold passenger refunds as a Future Cruise Credit (FCC), valid for up to 18 months from the date of cancellation. Certain items, including insurance, pre and post stays, airfare, and other non-cruise portions of your vacation may be non-refundable. All insurance is non-refundable.

30. CHANGES TO PROGRAMS, ITINERARIES AND TIME-TABLES: In the event of a strike, bad weather conditions endangering the operation of the vessel or extraordinary circumstances, CroisiEurope may at times and without notice, advance or delay a departure or a stopover or, if need be, change ports of call. We are not responsible in the event of earlier or later departure or arrival, modification or substitution of ports of call. CroisiEurope may not be held responsible for any failure to adhere to the arrival and departure times given in this brochure, regardless of the port of call.

The captain is the sole master on board and may decide at any time to divert the ship or cancel a port of call. The captain may cancel the cruise or modify the itinerary of the cruise if he judges it appropriate to the interests of passengers and the safety of the vessel. If the cruise is interrupted for reasons of force majeure, we will provide a refund for the days of the cruise affected but will have no further liability.

Possible unforeseen circumstances (civil or religious festivals, political demonstrations, strikes, breakdowns, traffic jams, changes by government authorities, or other legitimate reason) may bring about modifications to visits or excursions for which CroisiEurope is not responsible. Some destinations are subject to particular meteorological and climatic conditions. Some ports of call may be reversed, curtailed or cancelled, particularly for the reasons stated above. In the event of cancellation, shore excursions will be reimbursed. No other compensation will be payable.

31. CHANGE IN CABIN CATEGORY OR NUMBER BY THE SHIPOWNER:

For technical or operational reasons, river companies or ship-owners may allot a cabin other than the one in your confirmation without liability other than the refund of the difference in price if a change to a lower category cabin is necessary.

32. TRANSPORTATION DELAYS: The considerable increase in air and rail traffic, events beyond our control (strikes, technical incidents, meteorology, etc.) and safety imperatives mean that charter and regular airline companies and railway companies are not always able to respect their schedules. Delays, both on departure and on return, are possible and are beyond the control of the carrier, the tour operator and the travel agency, and we have no liability for such delays. Therefore, allow a reasonable period of time, particularly for the return flight, in the event of connecting flights or important appointments.

If you are traveling to or from the cruise by your own means, we recommend that you book tickets which can be changed or refunded. Airline companies strongly recommend online check-in the day before the flight (outward and return).

33. RESPONSIBILITY OF CROISIEUROPE: CroisiEurope America Corp, a Florida corporation, acts only as agent for the cruise line, Alsace Croisieres, SA, a French company doing business as CroisiEurope. In its capacity as organizer of cruises, both as owner and charterer, the responsibility of CroisiEurope is limited to issues pertaining to the ship's crew and to the ship. We are not responsible for any damage suffered by passengers on dry land, such as injuries, accidents, loss, irregularities, delays, lack of means of transport, etc. imputable to external companies such as airline companies, hotels, reception agencies, restaurateurs, suppliers, etc. Non-cruise service such as land transportation, accommodation, and transfers reserved in addition to the cruise do not fall under our responsibility. We have no special knowledge regarding the financial condition of travel suppliers, unsafe conditions, health hazards, weather hazards, or climate extremes at locations to which you may travel. For information concerning possible dangers at destinations, we recommend contacting the U.S. State Department at (202) 647-5225 or go to www.travel.state.gov, click on «Find International travel Information», then click on «Country Information», and fill in the name of the destination country. We are also entitled to any and all exemptions from liability, liability limitations, immunities and rights applicable under the 1976 Athens Convention as amended, which limits the carrier's liability for death of or personal injury to a passenger to no more than 46,666 special drawing rights as defined therein (approximately US\$70,000 which fluctuates depending upon a daily exchange rate as printed in the Wall Street Journal) and the laws of the United States including Title 46 US Code Sections 30501- 30509 and 30511, if and as applicable, and by those other and further limitations of liability set forth in the statutory and general maritime law of the United States, including Title 46 U.S Code Section 181-186, 188, as well as any other applicable nation's laws limiting liability. We are entitled to claim the benefit of whichever law, regulation, treaty or doctrine provides the greatest legal protections to us.

34. REPATRIATION ASSISTANCE: Medical repatriation and assistance is included free of charge in all our cruises and trips. For further information, please inquire. NOTE: This does not cover hospital or other medical costs incurred.

35. TRAVEL AGENT: All travel agents are solely your agents for purposes of the Passenger Ticket Contract and all other documents concerning the river or ocean cruise and any related arrangements made by the travel agent for any other or related travel, lodging, excursions, tours or facilities of any nature, neither we nor the operator or carrier of the river or ocean cruise vessel shall be responsible for any representation or conduct of your travel agent, including but not limited to any failure to remit your funds to us as sales agent for the particular operator or carrier, which will not relieve you of liability for payment.
