SHIP CODE: LEO\_NV

# MS LEONARDO DA VINCI

Named after one of the most famous artists in history this standard ship sails on the Rhine, a river with cultural and natural richness.

Completely renovated in 2011, the MS Leonardo Da Vinci is an intimate-sized standard ship, measuring 105m long and 11,40m wide. It can accommodate 143 passengers, in 72 cabins spread over two decks. The cabins are comfortable and spacious, offer amenities and provide guests with all the comforts they need during their stay.

The decoration, in beige and taupe tones enhanced with gold, is both discreet and elegant and pays tribute to the artist's works.

Located on the upper deck, the restaurant, where all meals are served during the cruise, offers delicate cuisine in a refined setting, where large windows allow guests to enjoy the panorama.

Also on the upper deck is the lounge / bar with a dance floor.

The sun deck is the ideal place to relax and admire the landscapes, offering comfortable sun loungers, as well as a large shaded area.
